Accelerate your College Education by taking Dual Enrollment

Reading Area Community College partners with area high schools to offer college credit for college-level courses students take at their high school.

Dual enrollment students concurrently complete their requirements for high school graduation at the same time they earn college credit.

Dual enrollment courses are taught by approved instructors, in the high school, during the regular school day.

01.

SAVE TIME
AND MONEY

Earn both high school and college credit, saving you time and money.

02.

STAND OUT

Enhance your college application with a college transcript.

03.

GET AHEAD

Complete most of your general education courses for college while still in high school.

How do you enroll in your high school's dual enrollment program? Follow this ONE easy step.

All students must complete a Dual Enrollment Application and Course Registration. This is ONE step, online, and must be completed every year. Access the DE application – racc.edu/de. If you have questions about your school's offerings, please contact your school counselor. Students will not be registered unless the online form is submitted and both counselor and parent sign offs are completed by the due date. Register by 10/6/23.

All dual enrollment students who take a course in fall and/or spring of the 2023-24 school year are eligible for the Dual Enrollment Student Summer Scholarship Opportunity!

Taking dual enrollment, earning an associate degree, and transferring seamlessly through articulation is the new affordable pathway to a bachelor's degree. Courses transfer to most regionally accredited college and universities. **START HERE...GO ANYWHERE.**

Questions? Contact your school counselor or email RACC at DE@racc.edu
