

REQUIRED Documentation

1. Please attach a **COPY** of the **FRONT** and **BACK** of **student's health insurance, dental and prescription cards**

International students only - The school does not provide health insurance to students. International student health insurance must be obtained after getting F-1 visa and prior to arrival. You may search online for the international student health insurance provider. Some of our international students use www.isoa.org for their health insurance coverage. Note: BMA is NOT affiliated with any insurance company. Email the proof of health insurance to registrar@bma.us

3. Please Bring the **ORIGINAL** Social Security card (**Optional for International students**)
(A copy will be made by office personnel)

4. Please Bring the **ORIGINAL** Birth Certificate
(A copy will be made by office personnel)

5. A legible copy of valid passport
(Optional for domestic student's admission; required for mission trips and tours abroad)
