

THE "EVERLASTIN

G HILLS”

Here stand the hills of my childhood,
Stretched beneath azure and white,
Calling me home to contentment
Away from the menacing night.

Hills dressed in colorful foliage
Enduring the cold and the blast;
Stripped of their beauty by mankind
Only to grow back at last.

Oft times my life's in the Valley,
The Shadow of Death within view.
My heart yearns for the mountains,
The strength of my soul to renew.

Oh, help me, dear God, to return,
If only in vision at night,
Just to recapture the grandeur
Of that peaceful, resplendent delight.

Hills have a way of enticing,
Of bringing reflection sublime.
The Hills Everlasting are calling,
And somehow I know they are mine.

Dear Youth,

“However large, however small, your talents, remember that what you have is yours only in trust. Thus God is testing you, giving you opportunity to prove yourself true. To Him you are indebted for all your capabilities. To Him belong your powers of body, mind, and soul, and for Him these powers are to be used. Your time, your influence, your capabilities, your skill—all must be accounted for to Him who gives all. He uses his gifts best who seeks by earnest endeavor to carry out the Lord’s great plan for the uplifting of humanity.

Persevere in the work that you have begun, until you gain victory after victory. Educate yourselves for a purpose.”

R. R. Adams

Faculty

THE ADAMS

Our Principal and Business Manager, Elder R. R. Adams, is originally from Roanoke, Virginia. He was graduated from Washington Missionary College in 1947. After serving six and one-half years in the ministry of the East Pennsylvania Conference, he began his work as Principal at the Philadelphia Academy. Mrs. Adams has served as our Dining Room Hostess this year. The Adams two children, Beth and Bernard, help to make this First Family of B.M.A. complete.

THE SNYDERS

Mr. Snyder, our Treasurer and Assistant Business Manager, was graduated from Washington Missionary College in June of 1953. He served in the army as an x-ray technician, managed a 200-acre farm in Ohio, and was pastor of the Fleetwood, Pennsylvania Church before he came to B.M.A. in June of 1953. Mrs. Snyder and Charlene dominated the scene until Brent came to bless their home in 1956. Now the male population is well represented.

THE SUMMERS

In addition to being English Instructor at B.M.A. Mr. Summers finds time to enjoy his family—Joan and Barbara Joan. He was graduated from Washington Missionary College in 1951; taught English at Mount Pisgah Academy in North Carolina and was Principal of Pittsburgh Junior Academy. Mrs. Summers is also a graduate of W.M.C. She has taught Homemaking here for three years. "It takes a heap of livin' to make a home," and Barbara Joan provides the incentive.

THE KINSEYS

Dean and "Mrs. Dean" complement our faculty by the willing response to the school program. Both of them were graduated from Southern Missionary College. Mr. Kinsey has been our Dean of Boys for two years. He teaches American history at the school and commands our active Medical Cadet Corps. Mrs. Kinsey serves as Bookkeeper for B.M.A. Both of them, as residents of territory south of the Mason-Dixon Line, have added that Southern charm to our faculty family.

THE SHORTERS

One of our newest faculty families is the Shorters—Shereen, Mrs. Shorter, Carol Ann, Elder Shorter, Roland Jr. Elder Shorter is also a graduate of W.M.C. in 1944. He received his M.A. in history from Pacific Union College in 1951. The Shorters have served as missionaries in India since 1945, working in hospital administration, educational work, and in the M.V. department of that country. Elder Shorter is the pastor of our church and teaches Bible and world history. Mrs. Shorter is our school nurse.

THE WALKERS

Our science and math teacher is a graduate of W.M.C. His teaching experience has been in Takoma Academy, Takoma Park, Maryland; in Philadelphia Academy, where he spent eight years; and now at B.M.A. for three years. Mrs. Walker is our church school teacher. Both of them are the proud possessors of a fine shell collection, which has added that aesthetic appreciation to scientific learning. Each year we have learned to look forward to their summer's catch from the ocean.

MISS METZ

Miss Metz, our Dean of Girls, came to B.M.A. in September of 1957 as a '57 graduate of W.M.C. In 1953 she graduated with a degree in Nursing, also from W.M.C. Since eighth grade, Takoma Park, Maryland has been her home. Nursing, missionary work, outdoor recreation, (especially camping), and music—both singing and playing—are among her favorite pastimes. Since her first year spent in the heart of New York City, she has been developing a long time desire for country living, now being fully satisfied here at B.M.A.

THE KIDDERS

The Kidders came to B.M.A. in November of 1953 from Flint, Michigan. Mr. Kidder, who manages our farm here, had been operating a farm on a partnership basis. Previous to that he had managed two other large dairy farms. Both Mr. and Mrs. Kidder attended Emmanuel Missionary College. Mr. Kidder was drafted into the army in 1941 where he spent five years. Mrs. Kidder, our school Registrar, graduated from E.M.C. in 1942. Marsha and David joined the family later.

THE EUSEYS

Our herdsman, Mr. Eusey, was born in Indiana but moved to Ohio when he was less than a year old. He is a graduate of E.M.C. and Michigan State College, from which he received his M.S. in agriculture. Mrs. Eusey is a graduate of Atlantic Union College. She met her husband at Emmanuel Missionary College. Here at B.M.A. she teaches our Spanish and commercial courses. Both of the Euseys have had much experience in our schools. Their only child, Nancy, is a Senior at B.M.A.

THE GROVES

Mr. Grove, our Maintenance Man, also teaches auto mechanics. He has been a constant resident of Pennsylvania, Williamsport to be exact. Prior to his coming to B.M.A. he worked in a shoe factory. His wife was born in Camton, New York. For a time she attended Atlantic Union College and W.M.C., where she met her husband. They have the distinction of having the only twins on our campus, Diane and Denice add much to this happy group.

THE JUSTS

Another Southern family at B.M.A. is the Just family. Elder Just was graduated from Southern Missionary College, and he spent nine years in the Florida Conference, where he served as pastor and singing evangelist. Elder Just has been head of our music department this year and has taught Old Testament History. His wife taught piano. Connie and Allen, their two children, help to make this home happy and complete.

THE CHILSONS

The Chilsons came to us from Mount Vernon, Ohio, where Mr. Chilson was employed as carpenter on the beautiful, new S.D.A. Church there. Mr. Chilson learned the woodworking trade immediately after his graduation from high school. He has been in charge of our carpentry and woodworking work here at B.M.A. Mrs. Chilson has helped her mother, "Johnsie" in our school kitchen. Jo Ann, their oldest daughter, is a Junior here. Bonnie attends our Church School.

THE JOHNSONS

"Johnsie" and "Pop" hail from the Buckeye State. Both of them have had much experience in our work. Johnsie, who is our Food Service Director here, has cooked for many camp meetings and Junior camps in the Ohio Conference. Johnsie was born in Dayton, Ohio, and Pop came from Eaglesport, by the beautiful Muskingum River. Their three children are grown and have families of their own. Johnsie and Pop enjoy not only the grandchildren but also their "adopted" children from Mount Vernon Academy and B.M.A.

THE CARRS

Our herdsman Robert Carr hails to us from Erie, Pennsylvania. He was born May 12, 1934. He and his family later moved to Washington, D. C. There he graduated from Takoma Academy and W.M.C. and received his B.S. in agriculture in 1957. It was in his junior year at W.M.C. that he met his wife, Phyllis. A sweet baby girl, Cheryl Ann, was added to their home this year.

AMOS MILLER

Two years ago Mr. Miller, who lives in Hatfield, Pennsylvania, came to help us when we were in need of a herdsman. Just this year he has been asked to return and direct our painting and roof-repair work.

LILLIAN BAUMGARTNER

"Mrs. B.," as the students call her, is in charge of our laundry. Before she came to us she headed the laundry at Washington Missionary College. When she is not working she enjoys her six grandchildren, her records, and especially the reading of the Spirit of Prophecy.

ELLA MAE BRENNER

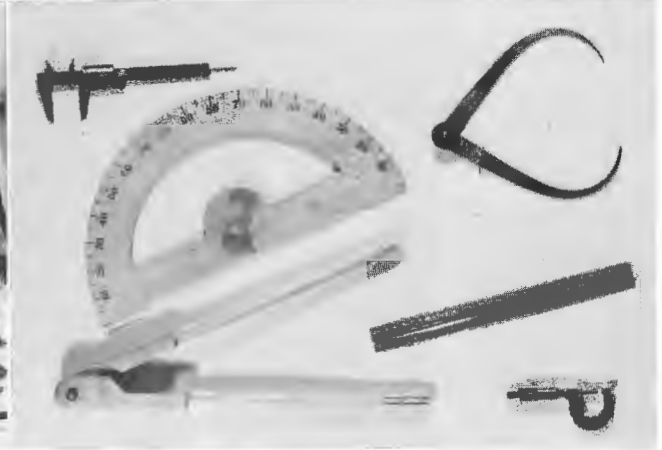

Just since second semester Johnsie has appreciated the help of Mrs. Brenner in our kitchen. Mrs. Brenner is from Leesport, Pennsylvania. She has had experience in cooking for East Pennsylvania camp meetings and junior camps.
