

Principal's Message

heard from me before many witnesses entrust to faithful men who will be able to teach others also. Take your share of suffering as a good soldier of Christ Jesus. No soldier on service gets entangled in civilian pursuits, since his aim is to satisfy the one who enlisted him." 2 Timothy 2:1-4, R.S.V.

As the seniors of 1963 leave Blue Mountain Academy to enter into a wider preparation for service, no better words can be spoken than these of Paul. Those of us who remain regret to see our friends in the senior class depart. On the other hand, we would have it no other way. This is life! As one grows, matures, and reaches certain goals he must go forward to even greater demands.

To you seniors, I would say, as Paul, what you have learned here pass on to others. Be a good soldier of Christ Jesus, making your aim only to please Him who has called you.

"Think over what I say, for the Lord will grant you understanding in everything."
2 Timothy 2:7, R.S.V.

MISS ENID WILSON

It has not been easy to prepare this dedication page and make it a reality, for your Annual Staff had to work surreptitiously to dedicate this volume of the Blue Mountain Echoes to its sponsor. However, it has been worth our secretive efforts to pay tribute to one who has given her life for young people. Miss Wilson, we thank you for your life on our campus, for your dedication to learning via your classroom teaching, and for your personal interest in each of us.

In appreciation, we sincerely dedicate with pleasure this 1963 volume in hope that you will forgive our "foul play."

VALUE —

Is It Based on a Price Tag?

Is It Dependent on Scarcity?

or Popularity?

Anything has value which satisfies a need.

The great need of the student, indeed, the very reason for the existence of a college, is the development of personality, the ability to think and choose. Such ability is desperately needed in the making of crucial decisions which crowd into everyone's life experience. COLUMBIA UNION COLLEGE is ready and anxious to help you in the development of this individuality which is every human being's God-given right. Your most valued possession can well be an education in a Christian college. Take up your claim in YOUR College—
Columbia Union College.

Now that we have reached the end of our 1962-63 Trail of Memories, we wish to give thanks to the following: Mr. Biehl, our photographer who has helped us immensely and has been very generous in the giving of his time and knowledge to further the success of this yearbook; Mrs. Summers, Shirley Johnson and Typing II class for their help with our advertising; those who have contributed to the publication of this annual. We hope you will cherish this book and as you peruse the pages may you relive our association together here at B.M.A.
