Blue Mountain Echoes

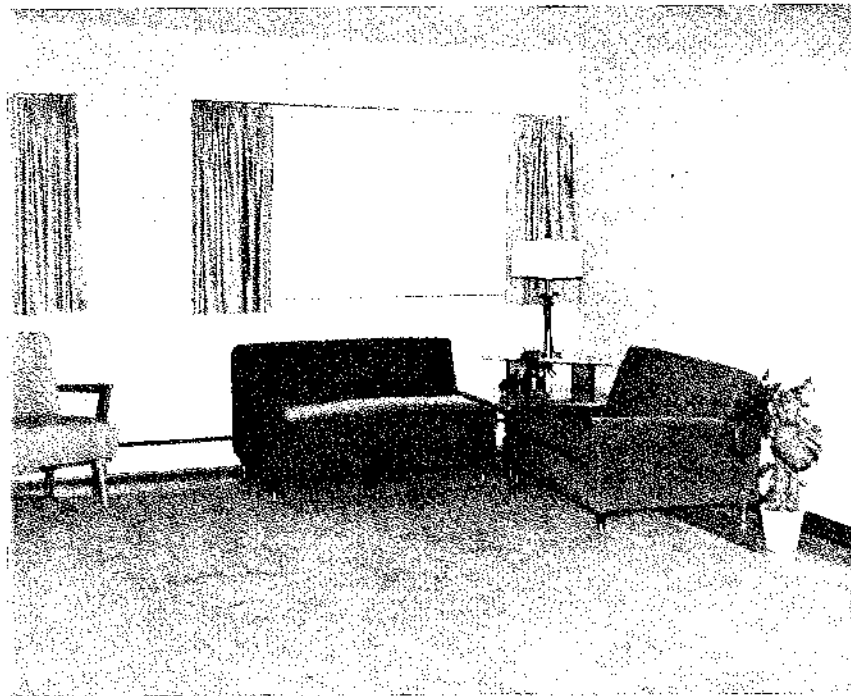

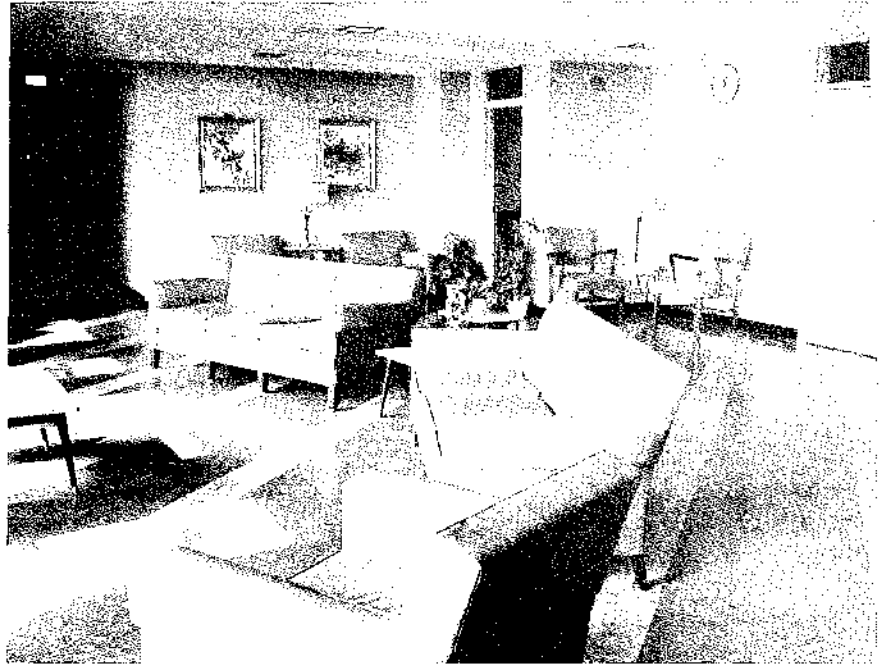

at

Blue Mountain Academy

Hamburg, Pennsylvania

Volume 2

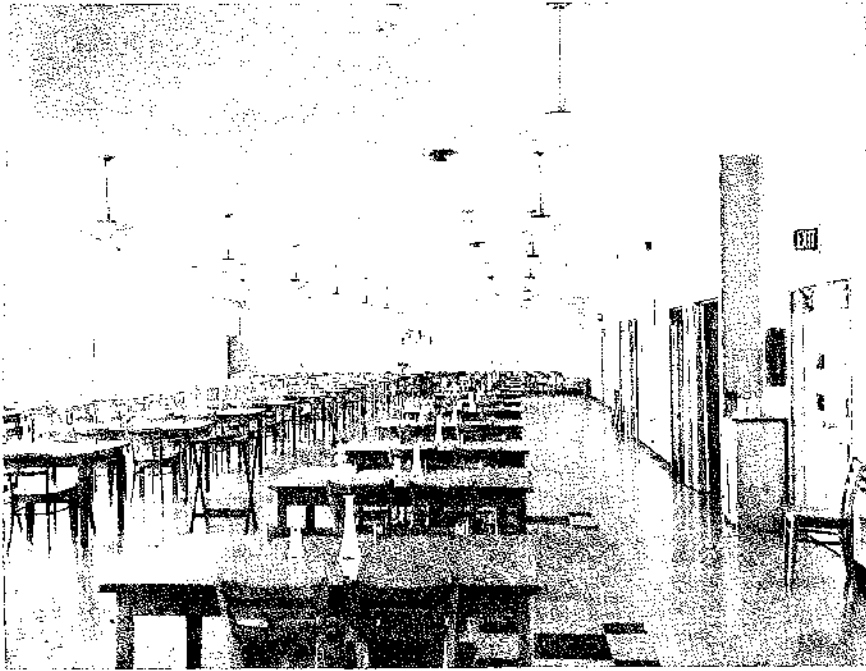

The girls at B. M. A. especially appreciate the pleasant lounge in their dorm (pictured at right), and the private atmosphere of their parlor (pictured below).

Through the grace of God and the loyal support of the East Pennsylvania constituency, this second year at B. M. A. has brought with it a number of welcome improvements.

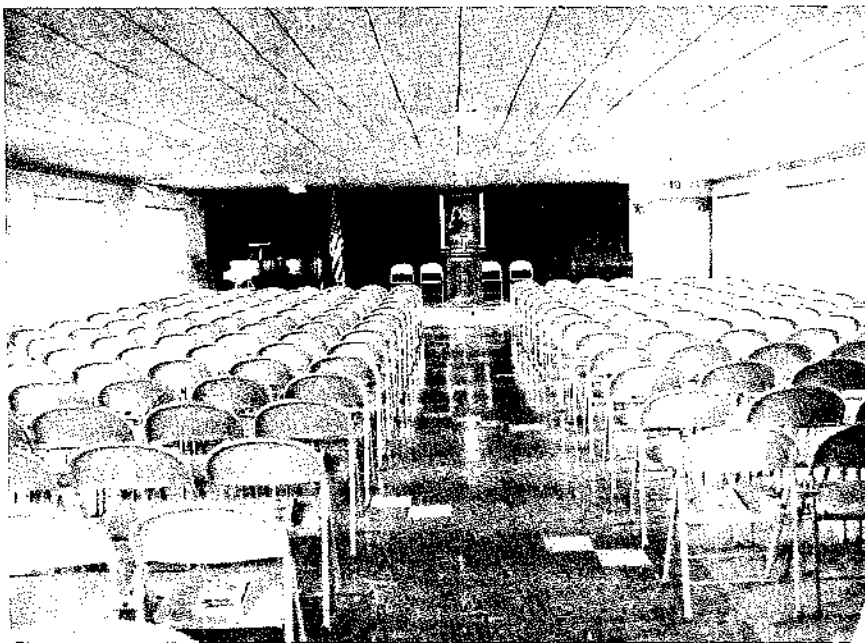

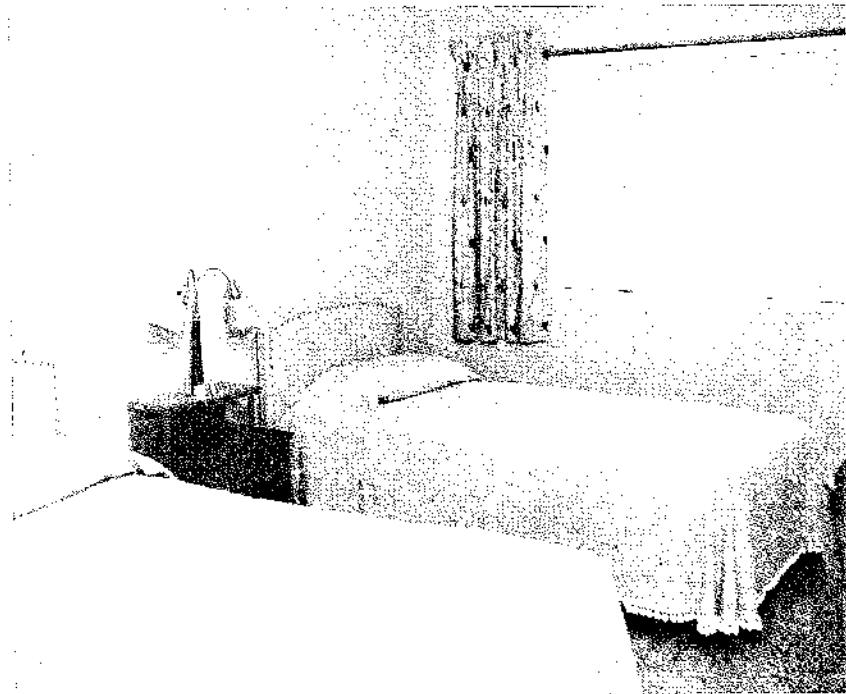

The boys also enjoy the homey surroundings and furnishings of their parlor-lounge.

This spacious dining room awaits the sound of the bell announcing the noon meal. Pictured below is one of four guest rooms situated in both dormitories.

This year's student enrollment of 170 has had the pleasure and privilege of witnessing them. In these few pages we wish to present pictorially this progress in the school plant.

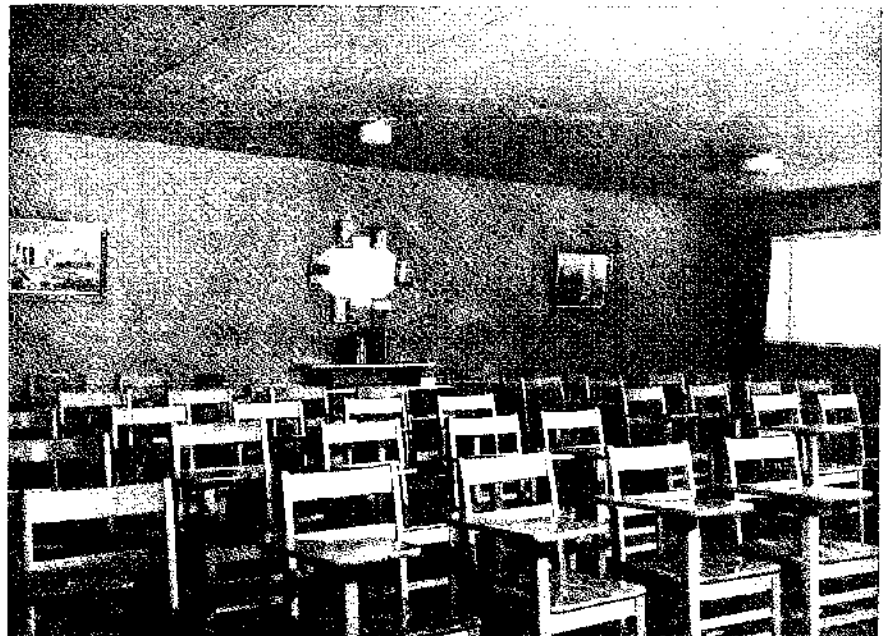

Our chapel has been greatly improved by the new chairs, tile floor, and platform draperies. The picture is a gift of the 1956 graduating class.

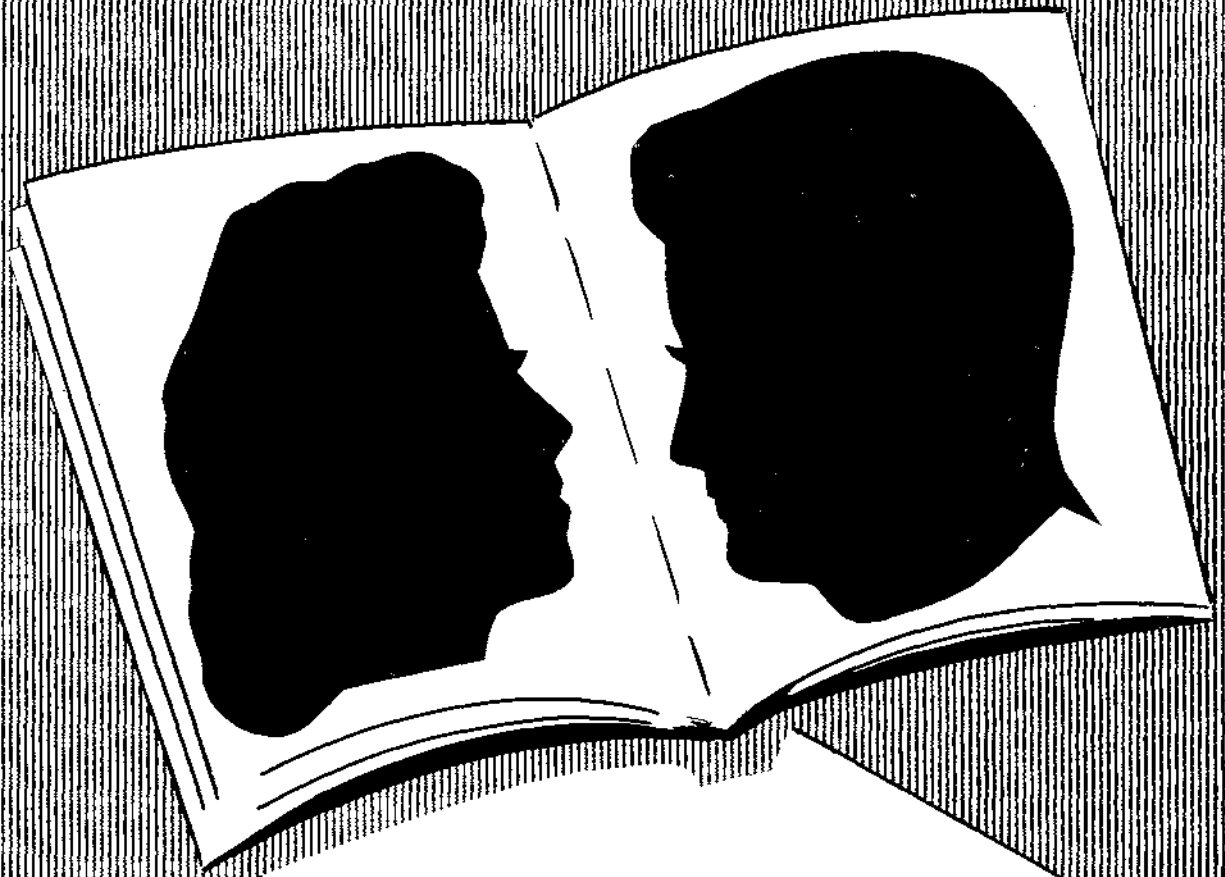

Chemistry is as much a part of nature as life itself. Our laboratory has served a real need this year.

Our new bus provides transportation for choir trips and field trips.

Each classroom is equipped with chair desks finished in natural oak. To the right is the English room at B. M. A.

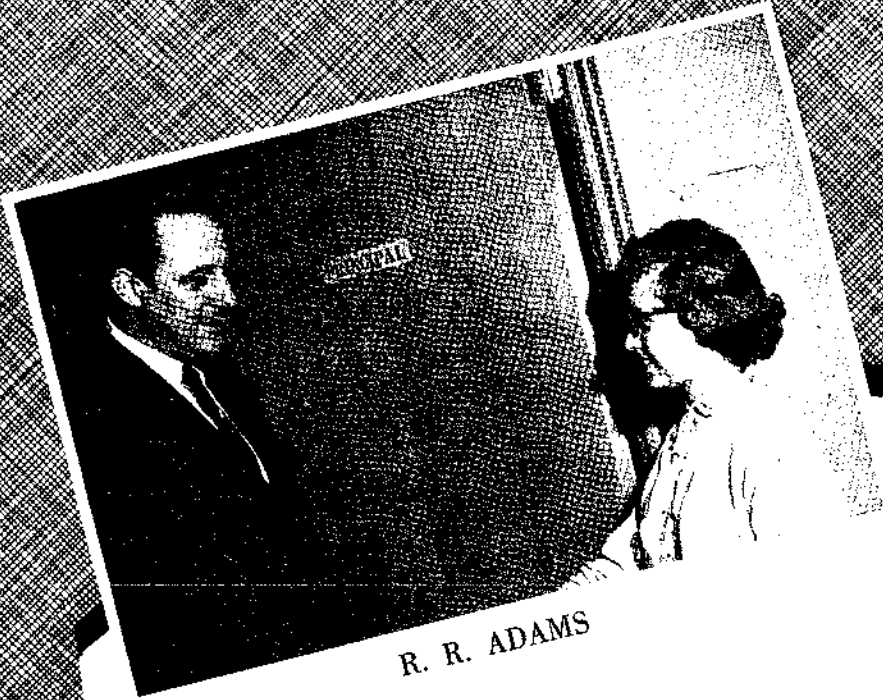

Dedication

They have understood our problems, assisted us with patience of steel, listened to our complaints with an admirable smile, inspired us with confidence, encouraged us when we were disheartened, and enhanced our chance for success.

Their determined effort to make us satisfied and happy shall always be remembered as one of our most precious high school memories; Words can't express our appreciation for their fervent prayers; but to show them how much we love, honor, and respect them, the 1957 Blue Mountain Echoes Staff dedicates the '57 Blue Mountain Echoes to the PARENTS of the student body.

R. R. ADAMS

"Blue Mountain Echoes" exemplifies to the fullest extent the results of consistent labor. It portrays evidence of God's guiding hand in the progress and growth within the Academy.

We are grateful to all those who have given their efforts to make this second year at B. M. A. a success. May this yearbook serve as a challenge and inspiration to those who will have the same responsibility in the future years.

Best Wishes,
Your Friend and Principal

JOAN ACHENBACH
Secretary

As Layout Editor of our Yearbook, Joan has been kept quite busy. She plans to study secretarial science after graduation. Joan comes to us from Wind Gap, Pa., and says she likes to spend her leisure time horseback riding.

FRANK DI MEMMO
Pastor

Frank comes from Philadelphia, Pa. He's attended two years here at Blue Mountain and has been a capable pastor of our class for both years. He enjoys sports and, like most boys, takes a great deal of interest in cars. His ambition is undecided but we're sure he will have success in whatever he does.

CLARK SCHMIDT

A quiet senior, Clark claims Big Run, Pa. as his hometown. His hobbies range from electric trains to model airplanes and cars. He dislikes history for his ambitions lie in the field of accounting.

BETTY MONTGOMERY

Betty comes to us from Chicago, Illinois, although her real home is in Florida. She enjoys sports and driving. Her pet peeve is boys. Her ambition is to be an interior decorator, though I know her real ambition is to be a housewife.

GEORGE BARKMAN

From Hatboro, Pa. comes our class athlete. Though an all-round sport enthusiast, George says football is his favorite. He likes to read, although that does not include studying. Success to you, George, in the future as an aeronautical engineer.

BONNIE GERNET

Bonnie comes to us from Wilkes-Barre, Pa. She plans to enter the nursing field and we're sure she'll be successful. Bonnie sings in the girls' trio and has also been an inspiration to us with her contralto solo voice.

BONNIE BRADLEY

From Lancaster, Pa. comes another loyal senior. Bonnie is a hard working senior who puts her whole heart into a thing until she finishes it. She especially enjoys writing letters and plans to become an elementary teacher. Good luck!

EDWARD FOX

Eddie comes to us from Poughkeepsie, New York. He likes chemistry and plans to be a doctor. He spends his spare time on stamp collecting and photography and was treasurer of the Temperance Organization.

DONNA SNIDEMAN

This talented senior comes from Chester, Pa. We will all remember her good music which we enjoyed in chapel, worship, etc. Since she is always friendly and good natured we know she'll make a great success as she becomes a secretary.

ROBERT KEISER

Bob comes to us from Wilkes-Barre, Pa. He's lots of fun to know and really sharp at thinking of those witty spur-of-the-moment answers. Bob is especially fond of sports and is very active in them. He plans to become a chemical engineer.

GENE KRISHINGER

A very dignified young man of the campus, namely Gene Krishinger, has spent two years here at B. M. A. His friendly manner and willingness to help in school activities will not be forgotten. He hails from York, Pa. He likes science and Bible and plans to be a missionary doctor.

JEANETTE HADE

Jeanetta comes from Waynesboro, Pa. She has shared her sweet personality with B. M. A. for two years. She enjoys roller skating, loves "Hoagies" and collects pictures, poems, and short moral stories. "Jan's" ambition is to be an elementary teacher.

MARY KERR

Mary comes to us from Youngsville, Pa. She plans to be a nurse and seeing she has a smile for everyone we know she will succeed. Nothing seems to bother Mary, except boys with crew-cuts!

ERHARD SCHLENKER

Erhard hails from Philadelphia, Pa., the city of Brotherly Love. He is very much interested in bookkeeping and plans to be an accountant. "Bob" spends his spare time in photography. Good luck as you leave B. M. A.

JAMES SMITH

Jim hails from Liberty, Pa. He has received a good deal of experience here at school toward his ambition of being a farmer. We all agree with him when he says he likes reverence in God's house. Jim is counting the days till he can wear that cap and gown and we know he will be proud to wear it.

JANE NORMAN

Jane comes to B. M. A. from Middletown, New York. Her sweet smile will be an advantage in her future nursing career. "Janie" likes chemistry, collects boxer dogs, salt and pepper shakers and recipes. When it comes to food, she enjoys a good plate of macaroni and cheese.

NELLIE HOLTRY

Nellie, who comes from Shippensburg, Pa., has been casting her pleasant smile through the halls of B. M. A. for two years. "Little Nell," as she is known to some, plans to be an elementary teacher. She enjoys painting, loves cherry pie, but dislikes spinach!

ROY DINGLE

Roy comes to us from Waynesboro, Pa. You might call him a jolly senior. He's always full of fun and when it comes to games Roy thinks there's nothing like playing "tiddlie-winks with manhole covers."

THOMAS FOULKES

Here's a senior from Stroudsburg, Pa. that really knows his mathematics. His favorite pastime seems to be walking in his sleep around the school property, commonly called "night watch." Who knows, maybe we will have a professor from our class someday.

NANCY STARK

Until you get to know Nancy you might think she is very quiet, but you'll soon find out how alive she is! She is a hard worker and a very dependable one. Nancy plans to become a nurse and we're sure she will make a success.

JAMES LUTZ

This good senior comes from Mohnton, Pa. He's quite mischievous and likes to pull pranks and have his fun, but he can be serious-minded and friendly to all. He especially enjoys photography and plans to study business for his lifework.

JANET ANEWALT

Janet comes from Saylorsburg, Pa. She enjoys sports and has made drawing her pastime. "Anne" is a future nurse and has proved her efficiency by being a good school librarian for the past two years.

EDNA BECKER

Edna comes to us from Allentown, Pa. She has been busy this year working in the clinic which will be helpful to her as she studies nursing. To a most deserving person we wish the best that life can offer.

LOIS BOYER

Lois comes from Schwenksville, Pa. She has chosen for her career the secretarial course. Lois loves ice cream but dislikes spinach. She enjoys photography in her spare moments which, she says, aren't too frequent here at school.

SAUNDRA GATES

This fun loving senior comes to us from Harrisburg, Pa. She has certainly been an asset to us with her sweet, winning ways. She especially enjoys music and swimming. Sandra plans to enter nursing and we're sure she'll make a success!

FRANK FAEHNER

Anyone would know after talking to "our boy" Frank for a few minutes, that he hails from the Empire State, Howard Beach, Long Island, to be exact. He has spent his last year here at B. M. A. and says algebra was his favorite subject. He is interested in wood-working and boat building and isn't just sure what he wants to be in life.
