BLUE MOUNTAIN ACADEMY	HAMBURG, PENNSYLVANIA

VOLUME 20

"GLORIFYING GOD WITH GRAPHIC IMPRESSIONS"

DEDICATION

THROUGHOUT THE SOUTHEASTERN SEGMENT OF PENNSYLVANIA THE IMPRINTS OF THE UNIQUE PENNSYLVANIA DUTCH WAY OF LIFE CAN BE SEEN. EVERYONE IS ATTRACTED IN SOME WAY OR ANOTHER TO THESE PICTURESQUE COMMUNITIES WITH THEIR OLD STYLE OF LIFE, COLORFUL HEX SIGNS, RICH COOKING, AND A JARGON THAT AMUSES MANY AND CONFUSES MORE. IT IS TO THE PENNSYLVANIA DUTCH IN GENERAL AND THE TYPICAL PENNSYLVANIA DUTCH COMMUNITY OF HAMBURG IN PARTICULAR THAT WE THE ECHOES STAFF DEDICATE THIS BOOK.

Dear Students,

Your stay at Blue Mountain Academy has been enriched by the surrounding community. The quaint borough of Hamburg, the beautiful rural setting and new buildings of the academy, Christian teachers and friends have all combined to make Blue Mountain Academy an excellent school from which to obtain a Christian education.

As you leaf through this beautiful yearbook, you will recall the many pleasant rewarding events, activities, friendships and experiences which took place during the 1974-75 school year. Your experience at Blue Mountain Academy has given you a new perspective of what God expects of you as a Christian young person. Your horizons have been expanded as you have come into contact with Christian teachers and fellow students.

Your family, your community at home, your school and your adopted community of Hamburg, have each assisted you in your growth and development thus far. I would challenge you to become a part of yet another community which "eye hath not seen, nor ear heard, neither have entered into the heart of man the things which God hath prepared for them that love Him," 1 Cor. 2:9. A community where your "grandest enterprises may be carried forward, the loftiest aspirations reached, the highest ambitions realized and still there will arise new heights to surmount, new wonders to admire, new truths to comprehend, fresh objects to call forth the powers of mind and soul and body," The Great Controversy, p. 677.

It has been my pleasure to assist you in your educational and spiritual development this year, and I pray that you will continue to prepare yourself to become a member of the Heavenly community.

Sincerely,

M. W. Shultz, M. A.

New Evidence

in favor of Christian education!

You, the class of 1975, are the latest evidence in support of the value of the Seventh-day Adventist special philosophy of education. Your parents, teachers, and church leaders are pleased with you, the product of Christian education.

"[True education] is the harmonious development of the physical, the mental, and the spiritual powers. It prepares the student for the joy of service in this world and for the higher joy of wider service in the world to come."

A Special School for You

Come take advantage of Columbia Union College's special learning opportunities.

Located only a mile from the Seventh-day Adventist Church world headquarters and the Review and Herald Publishing Association, CUC is the ideal location to earn either a two or four year degree.

- Our Medical Laboratory Technology course has been labeled "one of the 10 most innovative in the United States" by a government medical agency. This department has moved into new facilities this year
- Our business and secretarial students are considered among the best the denomination has; many have their choice of jobs before they graduate

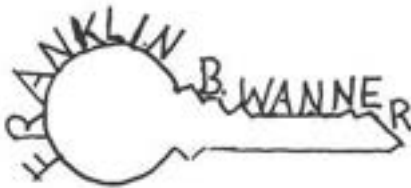

- Our Respiratory Therapy section has the most modern equipment of any such unit in the state of Maryland
- Our nursing and health science students work daily in the Washington Adventist Hospital, which is located on a common campus with CUC
- Our Math/Physics Department has the most powerful observatory in the Washington, D.C. area
- CUC has more job opportunities for students than there are students to fill them
- We have a place for you

There's a lot more to being a banker than banking. Like fulfilling community responsibilities as well as financial responsibilities. Like getting involved with local sports. Supporting cultural events. Making substantial contributions to civic projects. Like the way National Central has become a part of the day-to-day life of the community . . . year after year.

We do everything but close.

UNLIMITED JOB OPPORTUNITIES

in Biomedical Electronics

Recent increase of specialized electronics equipment is constantly expanding the need for well qualified biomedical equipment technicians. The BMET, among other activities, installs, tests, calibrates and maintains the biomedical equipment used in medical research and diagnosis.

This is a wide open field to both men and women who like to work with their hands. More than 1,000 new BMET's are being placed each year in hospitals, research laboratories, industry and government services.

Dear Sheila,

We are happy for the splendid record you have made at BMA. You have been faithful in your work program, and have made excellent grades, and we are proud of you. It is encouraging to know that God has a special work for you to do for Him which no one else can do as well. We wish you success as you continue your scholastic training to fill this place. We both love you.

A WHISPER OF THE PAST

LOST TO BE RECALLED IN TIME

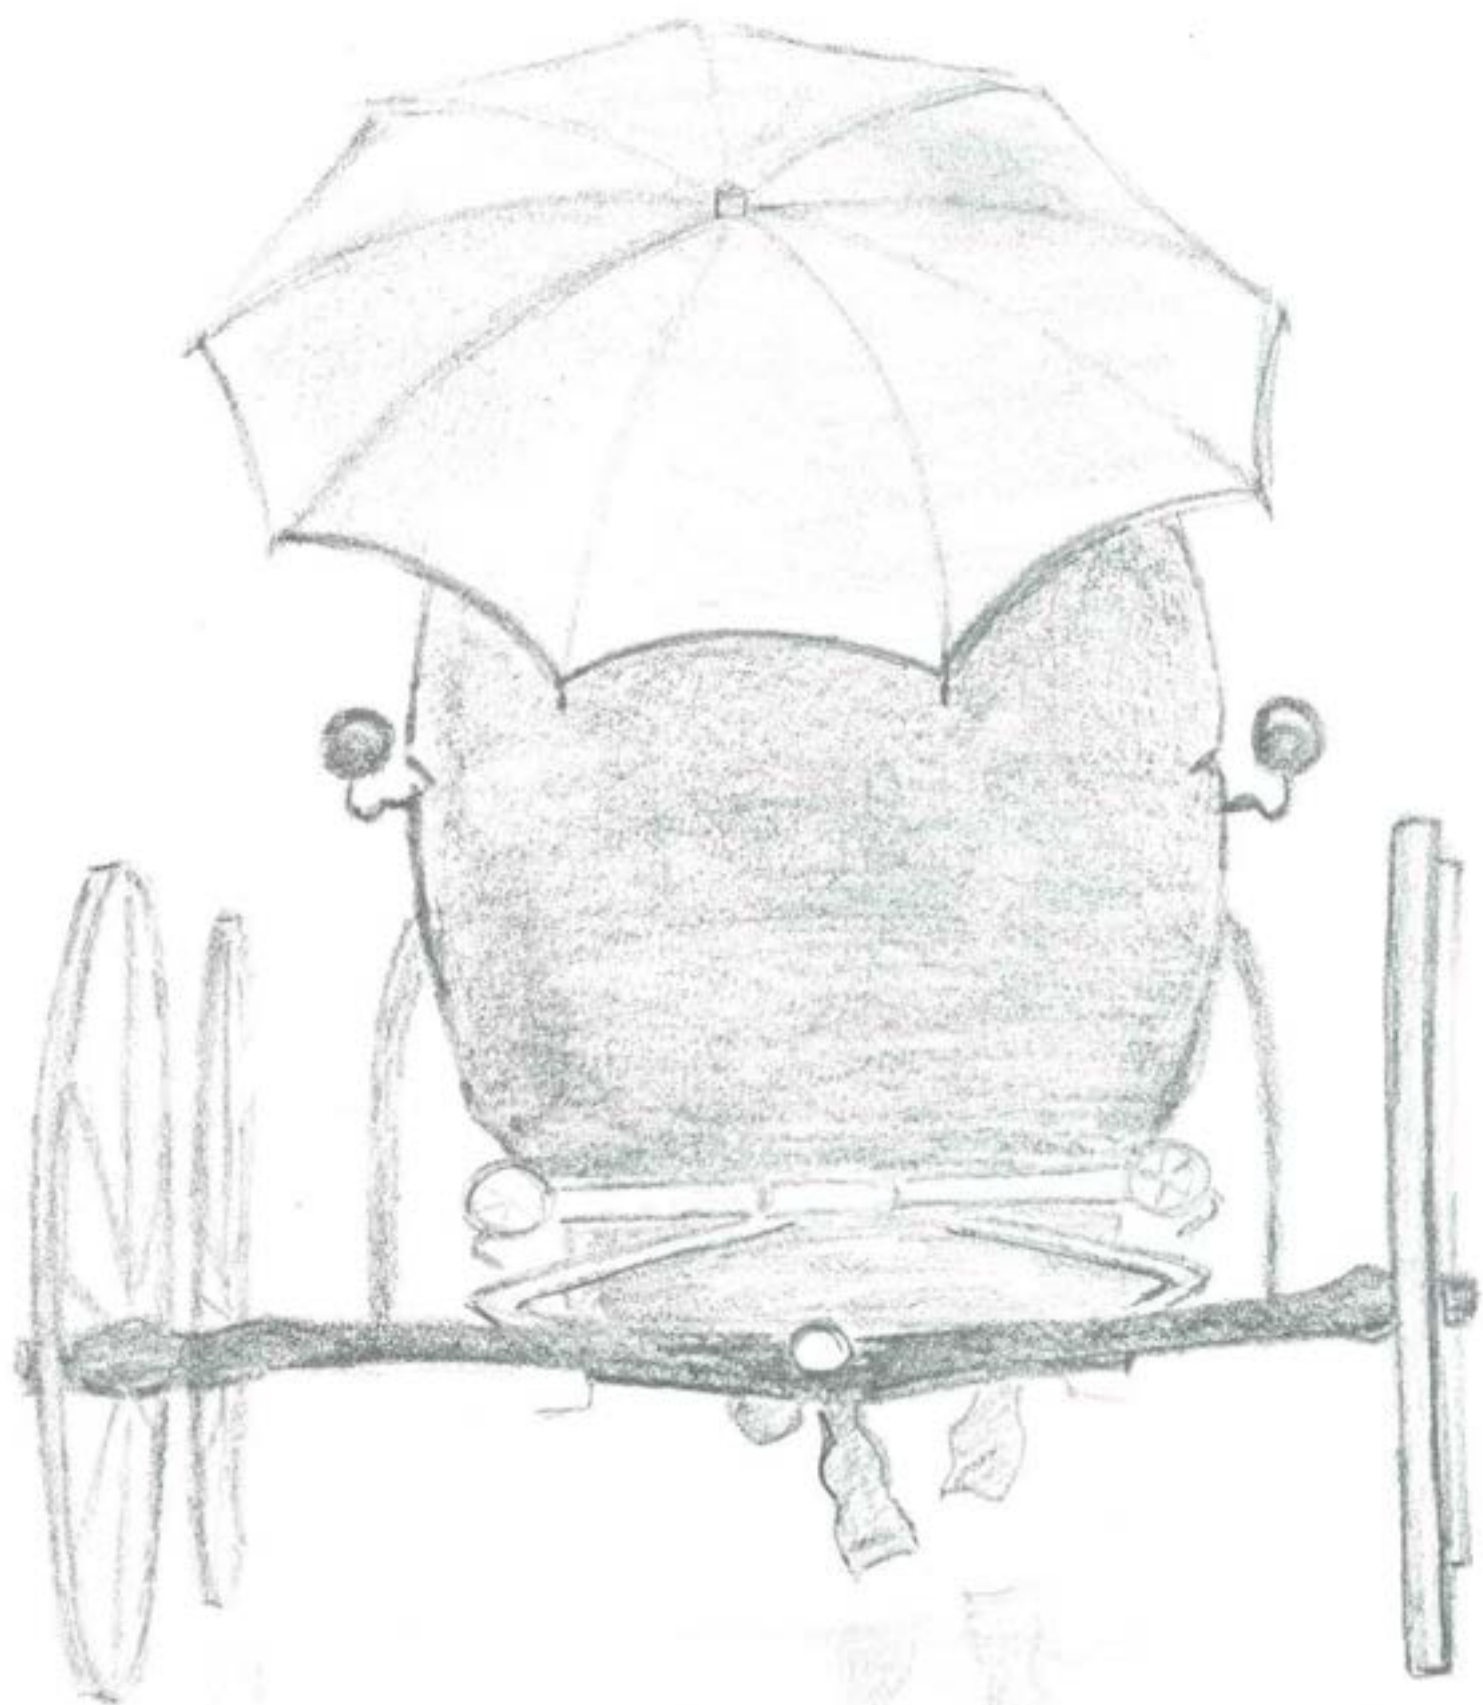

SIGHING

SWELLING

BURSTING UPON THE SOLITUDE OF THE MIND

ECHOING ACROSS A TIMELESS LANDSCAPE

A MEMORY
