Glorifying God With

# Dedication

Ages ago, all communication was, one person talking to another and that was all the futher it went. As the years moved on man, with his prolific mind and with the help of God's motivation produced tools of communication.

We dedicate this yearbook to the task of communicating God's word throughout the world, that everyone might know Him.

Dear Students:

Blue Mountain Academy was established for the purpose of communicating God's will to its students. You have learned this year to a greater degree to communicate with your fellow students, with your staff members, with your parents and above all with your God. You will recall these experiences in communication and interaction as you leaf through this beautiful yearbook.

I believe you partially fulfilled God's will for your life by attending Blue Mountain Academy this year. You took advantage of the spiritual opportunities afforded you and you grew spiritually. Continue to submit yourself so fully to God that He can use you to communicate His will to others. Remember that "Communion with God encourages good thoughts, noble aspirations, clear perceptions of truth and lofty purposes of action. Those who thus connect themselves with God are acknowledged by Him as His sons and daughters."

MESSAGES TO YOUNG PEOPLE, p. 247.

Your continual spiritual growth will depend upon your relationship with Christ. Set aside a portion of each day to study God's word and commune with Him. Never forget that, "Our growth in grace, and joy, our usefulness—all depend upon our union with Christ. It is by communion with Him, daily, hourly—by abiding in Him—that we are to grow in grace. He is not only the author but the finisher of our faith. It is Christ first and last and always. He is to be with us not only at the beginning and the end of our course, but at every step of the way." STEPS TO CHRIST, p. 69

I have thoroughly enjoyed becoming acquainted with you this year and assisting you in your spiritual and educational development. I am justly proud of your accomplishments and will follow your progress with keen interest in the years ahead. Continue to allow God to work out his will in your life by daily communicating with Him.

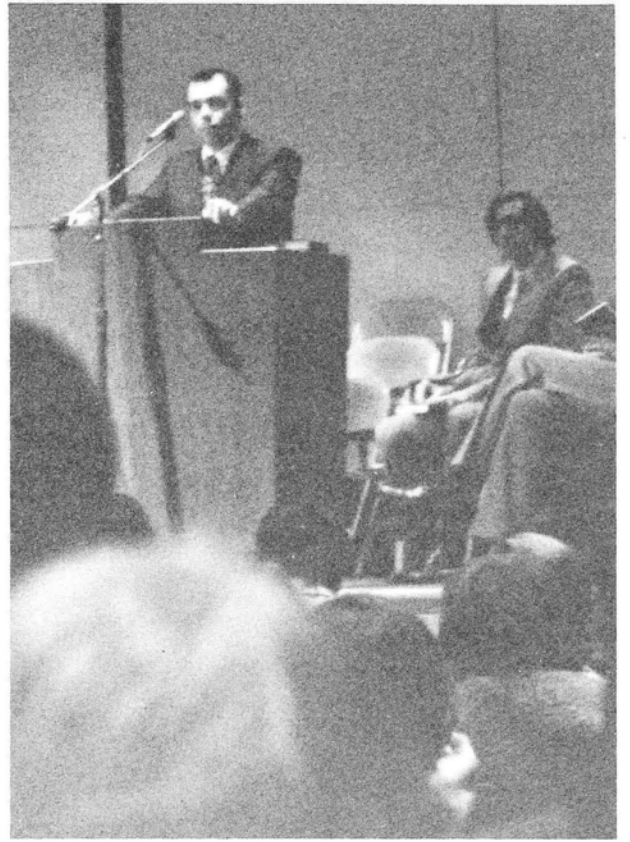

Your friend,

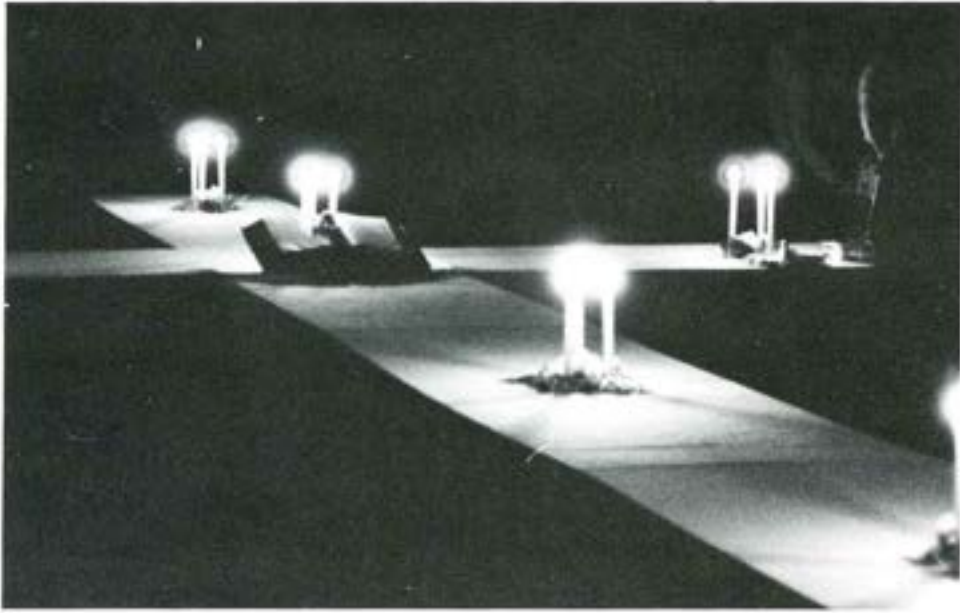

M.W. Shultz, Ed.D.  
Principal
