PRINCIPAL'S MESSAGE

Extraordinary! Challenging! New! Exciting! These are but a few of those words used to describe our "new look" 1985-86 school year. From registration and the "handshake" to our leadership camps and banquets; from Senior Recognition and Junior Presentation to many other class and club functions; from Fall and Spring picnics to Amateur Hour and the Rose Ceremony, we've walked pathways together that you have helped to make *unique*. Together we have sought to build "unbreakable faith" as we've focused our thoughts on Christ's plan for our individual lives. In academic pursuits, religious activities, and ordinary moments which you've shared with friends and roommates, we forged memories that will never be forgotten.

The academy experience, however, goes beyond memories. Its purpose is to prepare young men and women for a life of service. We work together toward that end, having prayerfully invoked the leading of the Holy Spirit, in that great task of character building. The times in which we live have made that task ever so difficult. Yet your cooperative spirit, openness to counsel, insightfulness, and above all, your love for Christ and one another has made that task *our* joy.

Be assured that great challenges lie ahead. For some it is on to college or a vocation. For others on to a Sophomore, Junior, or Senior year at Blue Mountain with more demanding, increasingly difficult subject matter. Whatever the future might hold, be assured always of God's love for you. Psalms 63:3 is an eloquent testimony to this fact.

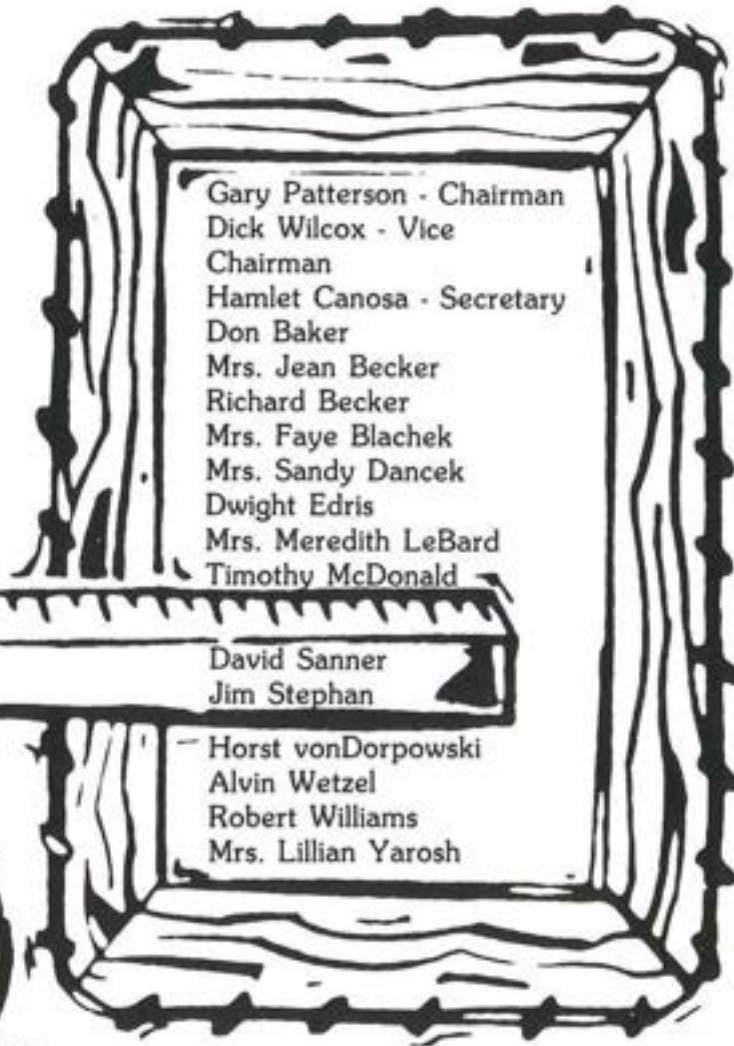

God bless you always as you continue on in the great adventure of life. To those who will return to Blue Mountain for the 1986-87 school year, let us settle for nothing less than a full measure of love for our Lord, family and friends. It is going to be a *GREAT* year!

Your brother in Christ,

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand: one belonging to him, and the other to the Lord.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it. "Lord, You said that once I decided to follow You, You'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed You most You would leave me."

The Lord replied, "My son, My precious child, I love you and would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

author unknown

Man once walked hand-in-hand with God in personal communion with his Creator. To this day, the desire for such communion remains instilled within the heart.

Although man can no longer physically walk with the Lord, he can, through observing God's creations, still sense the presence of his Maker. Through the whisper of the breeze, or the silence of night, God speaks to His beloved earthly friends. A sunrise expresses His joy and eagerness to surround us with His love.

Now as man walks through God's creation, taking in every detail, communicating with his Creator, he grasps the hand of the Lord in symbolic fellowship. He is eternally grateful to the Lord for His omnipresence in nature and further strives to reflect the nature of his Creator.

We, too of the 1985-86 Echoes staff, dedicate this annual in honor of our God who created the beautiful nature of our world.

"And all the congregation worshipped, and the singers sang, and the trumpets sounded: and all this continued until the burnt offering was finished. And when they had made an end of offering, the king and all that were present with them bowed themselves, and worshipped." (2 Chronicles 29:28, 29)

Proudly salute the graduates of 1986

Dear Mike:

Your graduation from BMA is a culmination of hard work, dedication and sacrifice. These same values will help you reach the goal you are aspiring for. As you embark on a new course of study our prayers and best wishes go with you. We are very proud of you, Mike, and we love you. Congratulations to you and your classmates.

Love,

Mom & Dad
Allan, Gem & Michele

Dear Mark,

To us it seems like just yesterday that you were but a child. But look at you now my son, you have become a man. From toys and spinning tops you've grown to cars and spinning props. (Congratulations on making Private Pilot, we never doubted even though you might have!) Now it's time for you to graduate, but remember you are just beginning to learn.

Son, BMA has taught you much, but the most important thing in life is to know God. Put Him first in your life, see Him every day with all your heart and He will reward your search with riches untold. No matter what befalls us as time marches on, make us one promise, Mark, that you will meet Mom and me at the feet of Jesus.

Love,

Dad and Mom

EARTH— searching for the knowledge of God

My son, if you receive my words and treasure up my commandments with you, making your ear attentive to wisdom and inclining your heart to understanding; yes, if you cry out for insight and raise your voice for understanding, if you seek it like silver and search for it as for hidden treasures; then you will understand the fear of the Lord and find the knowledge of God.

Andrews University has something that Yale, Harvard, and M.I.T. want very much.

What in the world would three big name schools want from a quiet, Christian university in Berrien Springs, Michigan?

Well, for one thing, its students.

In fact, there was a recent senior here at Andrews majoring in physics who did such an outstanding job that, aside from Andrews, other schools have been taking notice.

Others like Yale, Harvard and M.I.T.

They all wanted him to pursue his graduate studies at their schools.

And a recent Andrews chemistry graduate received a major fellowship grant right out of college to begin work on a Ph.D. degree at Cal Tech.

In addition, Andrews students regularly get accepted into major law schools like Georgetown University, Boston University and the University of Texas. And you've probably already heard about Andrews' impressive record of preparing students for medical school. The success rate among med school applicants from Andrews stands at 72 percent. The national average is 48 percent.

We're proud that our students are sought by other major universities around the country. Proud—but not surprised.

After all, Andrews University has long been providing students in all majors with some of the finest programs any Christian university has to offer. That's because we value academic achievement. And we encourage it through our honors program. It's called the Society of Andrews Scholars, and recognizes and encourages the highest scholastic standards among our students. More than 400 students from a wide range of disciplines are members of this select society.

Now we can't promise that a host of other major universities will come knocking at your door when you graduate from Andrews. But we can guarantee a few other things.

Like a solid degree, backed by an outstanding education.

A scholarly Christian community where your journeys toward faith and learning are both made on the same road.

And the certainty that Berrien Springs, Michigan, isn't the only place where our great reputation is known.

Find out more about Andrews by calling one of our admission counselors toll-free. **Nationwide: 1-800-253-2874.**

Andrews University

For the most important years of the rest of your life.

Dedicated to all the Seniors of 1986, but especially to Karin Spencer and Steve Peck - two very special people in our lives . . .

For this cause I bow my knees unto the Father of our Lord Jesus Christ, of whom the whole family in heaven and earth is named, that he would grant you according to the riches of His glory, to be strengthened with might by His Spirit in the inner man; that Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love, may be able to comprehend with all saints what is the breadth, and depth, and height; and to know the love of Christ which passeth all knowledge, that ye might be filled with the fullness of God. Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, unto him be all glory in the church by Jesus Christ throughout all ages, world without end. (Ephesians 3:14-21)

Autographs.

A black and white photograph of a waterfall cascading over rocks in a wooded area. The water flows from the top left towards the bottom right, creating a misty spray at the base. The surrounding area is filled with dense foliage and trees, with some branches in the foreground framing the scene. The overall tone is serene and natural.

**AS HUMANS ARE BOUND BY FINITE TERMS, SO TOO IS THIS
YEARS' ANNUAL. LET US STRIVE TO REFLECT GOD'S NATURE
AND ANTICIPATE HIS SOON COMING WITH GREAT ZEAL!**
