Memories

PRINCIPAL'S NOTE

Memories.... Are yours in color, or black and white? Do they bring laughter and joy, or a tear and a sigh?

A group of former classmates reminisce after the years have slipped away. Their sentences begin, "Remember when...?" or "I can still remember..." There is laughter—sometimes a lot of it. There are tears as the good times are remembered. But there may also be regrets, sorrow for hurts inflicted that can't be recalled, or unwise decisions that will never be reversed.

By the time you read this the 1996-1997 school year will be history. And there isn't anything we can do about history except learn from it. Life is a challenge, at BMA and beyond! Life can be discouraging and hopeless. It is so temporary. It is so easy to be hurt by it—by our friends—by our enemies—by ourselves! And then, as we look back, it can bring despair. It can all appear so bleak—as if in black and white.

Jesus promises, "I have come that they may have life, and have it to the full." (John 10:10) In case you haven't discovered it yet, life with Jesus is nothing like what we described above! Oh, yes, there is still trouble. You can still feel helpless. But when you live for Jesus and He lives in you, all is different. Here's another promise, "If we confess our sins, He is faithful and just and will forgive us our sins and purify us from all unrighteousness." (1 John 1:9) Jesus goes on to say, "I have told these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world." (John 16:33)

He will do for us "immeasurably more than all we ask or imagine, according to His power that is at work within us." (Ephesians 3:20) The memories created when His power is at work bring joy, peace and hope. They are not in black and white—they are WATERCOLORED MEMORIES.

DEDICATED TO YOU, MR. HANNAH

Thank you for your dedication to the students of Blue Mountain Academy. Many don't realize all the "running around" that you do to make sure things run smoothly.

From mission trips, to rides from the bus station, to business math, you dedicate your time to help us out in any way you can. So we want to take this opportunity to recognize you.

Congratulations, and may God continue to bless you and your work.

Sincerely,

The Yearbook Staff

FIND IT ON THE WINGS OF LOVE

For every dream we lose, there's another one to
dream that will come true.

Whenever clouds roll in, we'll look high enough to see the rainbows end.
We'll play in the sunshine, we'll dance in the moonlight,
We'll sing in the hard times, and find it on the wings, we'll find it on the
wings of love.

For every heart that breaks, there'll be joy that comes along to take its place.

For every time we fall, a voice will pick us up to hear a higher call.
We'll play in the sunshine, we'll dance in the moonlight,
We'll sing in the hard times and find it on the wings, we'll find it on the
wings of love.

Everybody come along, and we can find it on the wings, we can find it on the
wings of love.

Everybody sing a song, and we can find it on the wings, we can find it on
the wings of love.

We'll play in the sunshine, we'll dance in the moonlight,
We'll sing in the hard times, and find it on the wings, we'll find it on the
wings of love.

For every dark of night, comes the Morning star up in the sky.
Whatever toils and cares, high up in heaven there's a father always there.

We'll pray in the sunshine, we'll pray in the moonlight,
We'll pray in the hard times, and find it on the wings, we'll find it on the
wings of love.

Everybody come along, and we can find it on the wings, we can find it on the
wings of love.

Everybody sing a song, and we can find it on the wings, we can find it on the
wings of love.

RELIGIOUS LIFE

From song service to the Theme Feature, the students "color" the Sabbath School program each week.

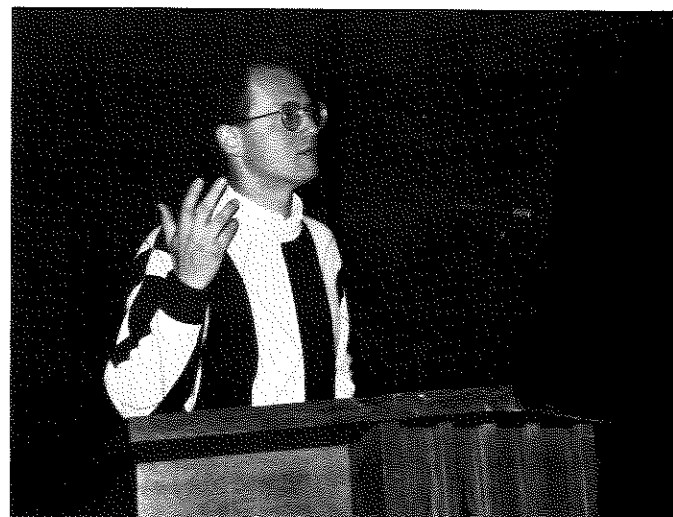

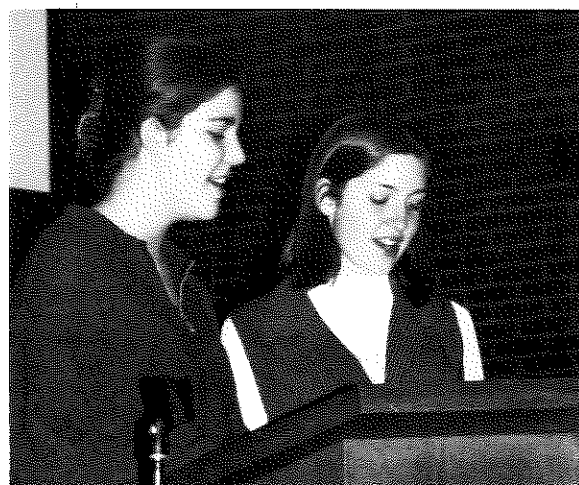

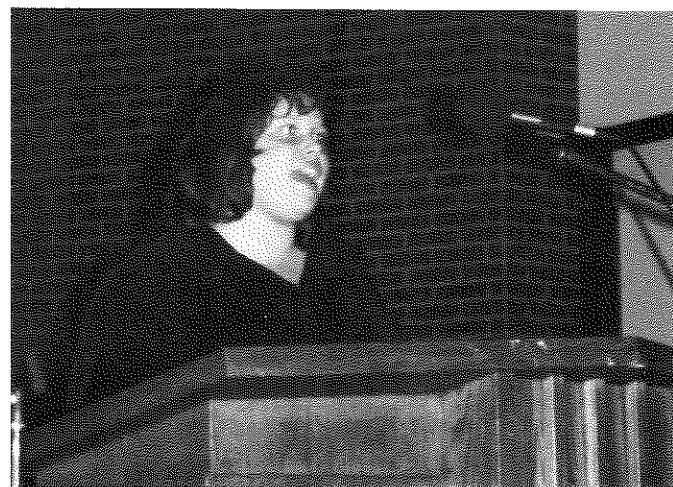

A place of worship. A serene environment where Jesus is present at all times. Rays of His love fill this temple. A reverent atmosphere for His people to praise Him.

What is.....

BMA Leadership

is a retreat weekend where the leaders of Blue Mountain Academy come together and learn skills to help make them

better leaders. They have an opportunity to share some of their skills with everyone who attends. Besides that, they have fun playing sports and doing other fun things!!

Leadership?

Union Leadership is also a retreat where you learn leadership skills. But, instead of BMA alone, all the other academies in the Columbia Union attend. The basic idea? We should allow God to use us as leaders for His glory. At this retreat, we also get to share some of our leadership skills and play some games.

SA Mixer

These students look excited about the game they're about to play: KooshBall Toss.

"Of all the dares they have, they make us duckwalk across the stage!!"

"Come on, Ingrid, we've got to get to the other side before they do!"

SERVICE

During Service Explosion day, the students help out in the community by cleaning yards to entertaining the children or patients in a nursing home. It is our mission to serve others unselfishly and prepare our hearts for heaven.

Baltimore Aquarium...

At the aquarium, the students saw various marine animals, from dolphins to stingrays. On the top level of the building there was a man-made rainforest with all kinds of tropical birds and palm trees. The air was misty and damp, making the atmosphere almost real.

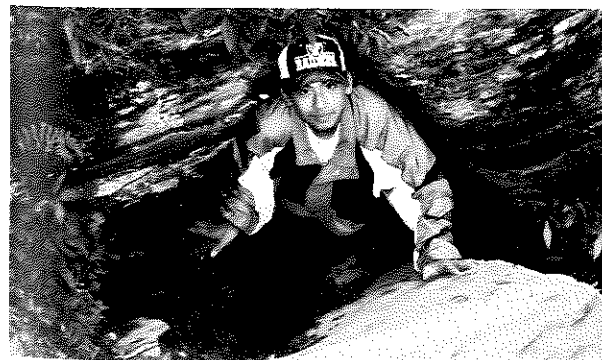

School

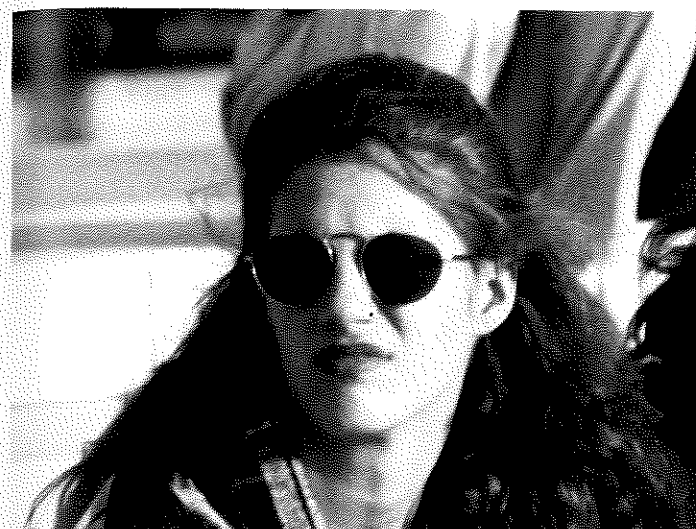

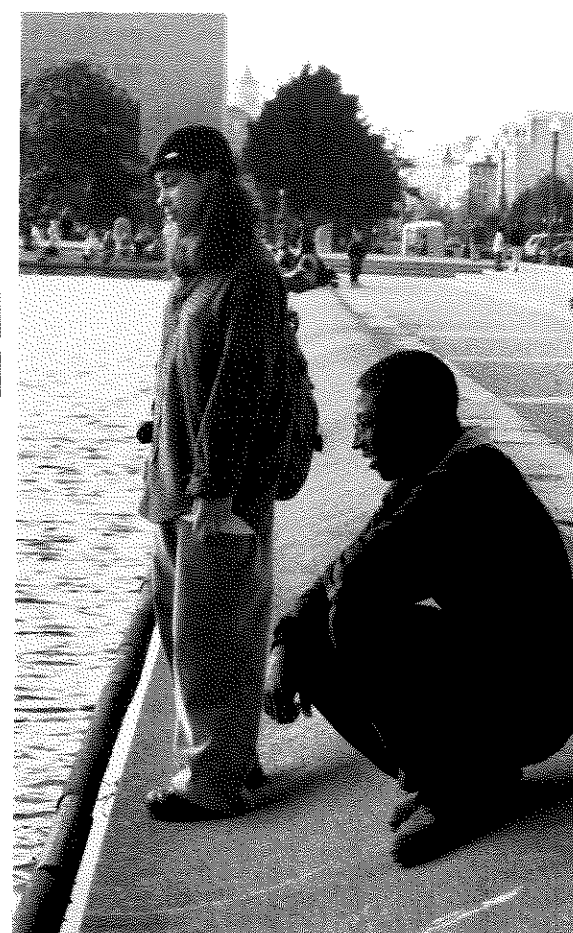

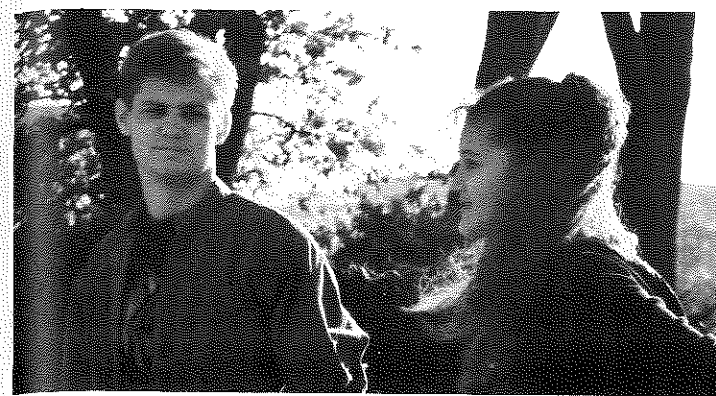

Caving was also an enjoyable event for some of the students. These students dressed in old clothes to maneuver and crawl through cold, dark, muddy caves

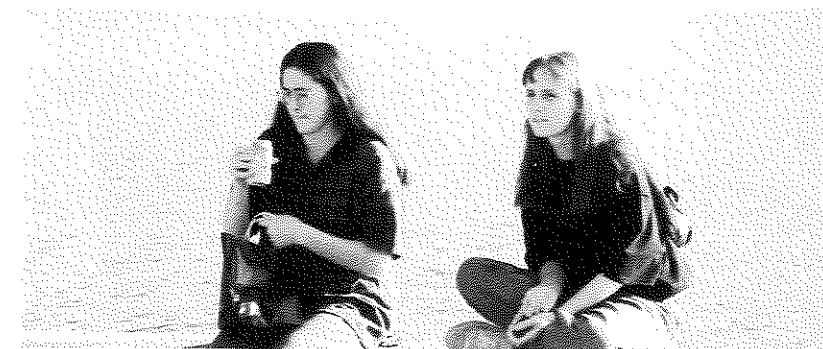

with little rooms. In search of an underground lake, they all survived with only mud on their clothes. (They never found the lake.) *...Caving*

RECOGNITION

Glory to God!

On December 13 and 14, the true Christmas spirit was brought to Blue Mountain Academy! On Friday night, La Sonnette Ensemble rang the bells of heaven, followed by Bel Canto, who sang amongst the angels. Finally, our hearts were lifted to heaven by the wonderful composition, *Handel's Messiah*. A live orchestra brought the program both depth and eminence. The Sabbath ended with a mini-piano concert of Christmas carols. We were reminded of Christmas' at home by the BMA band.

Once again, our parents and faculty have put on a show for us. This year, Mr. Hannah, Pastor Manente, and Mr. Buller portrayed their version of "Home Improvement", in which they actually looked like the characters on the show to the students' surprise. Mrs. Manente received a little surprise of her own while Mrs. Thoman and Mr. Johns played a prank on the foreign cook. Finally, Grandma Tooley demonstrated how to yodel to "I'm Happy Today".

You'd think that, as you get older, things would get easier. But it doesn't seem to work that way. There are always responsibilities, always obligations, and always the need to keep one eye on the future. That's when you're glad you have a bank you can depend on for everything from managing your investments to planning for your retirement. Maybe some things do get easier.

DEAR INGRID:
THIS SCHOOL YEAR HAS BROUGHT WITH IT A MAGNITUDE OF MEMORIES. MANY ANSWERED PRAYERS AND MIRACLES FROM GOD. SURELY YOU WERE AN ANSWER TO PRAYER WHEN YOU WERE CONCEIVED. ALL THROUGH YOUR EIGHTEEN YEARS GOD HAS BLESSED US.

GOD HAS SEEN US THROUGH CHALLENGES ALSO. YOU BROUGHT OUR FAMILY THE LOVE FOR MUSIC (24 HOURS A DAY IF POSSIBLE). AT THE AGE OF ELEVEN MONTHS YOU WERE HUMMING THE MELODY TO SABBATH SCHOOL SONGS, IN PERFECT TUNE. EARLY SCHOOL DAYS BROUGHT PIANO, VIOLIN, FLUTE AND FINALLY VIOLA LESSONS. DAD WILL NEVER FORGET THE TUNES PLAYED ON THE MOBILE PHONE. MOM REALLY MISSES THE BUSY DAYS OF SCHOOL, MUSIC LESSONS, AND PATHFINDERS. HOW COULD MOM FORGET ALL OF THE JOKES YOU INSISTED TELLING OR READING FROM "THE JOKE BOOK"? THERE HAVE BEEN GOOD AND BAD MEMORIES, THE BAD HAVE FADED WITH TIME. BEFORE WE WERE PREPARED, YOU WERE OFF TO ACADEMY. DAD SAID, "WELCOME THE PEACE AND QUIET" - NO WAY! IT IS DIFFICULT TO BELIEVE YOU ARE GRADUATING THIS YEAR. TIME NOR SPACE COULD HOLD ALL OF THE MEMORIES. THANK YOU FOR THE MEMORIES. GOD TRULY BLESSED US WITH A BEAUTIFUL AND VERY TALENTED DAUGHTER.

WE LOVE YOU,
DAD & MOM

Dearest 'Topher:

Congratulations as you achieve yet another milestone in your life. Remember to allow God to be your source of strength and guiding light. May you walk with pride today, fly with hope tomorrow and have faith in yourself always. Continue striving to achieve your dreams, never forgetting the victories you have won and the lessons you have learned along the way. We are immensely proud of the warm, loving, caring young man you have grown to be, **Christopher Edwards.**

Dear David,

Well, you finally made it. We are so proud of you. We realize that it hasn't always been easy, but you have taken it in stride and risen to the challenge. As we look at this picture so much has changed and yet so much remains the same. Your love for reading has never decreased. It was always amazing to me how you could "zone" out from all around you when you were reading. How about when you learned to read upside down when you were about 4-years-old? Also, in church, when most kids were coloring, you were asking for math problems to solve. One other thing that hasn't changed are the curls in your hair. Even though you've sometimes tried to hide them, they still persist and they are one of the many things that remind us how special you are.

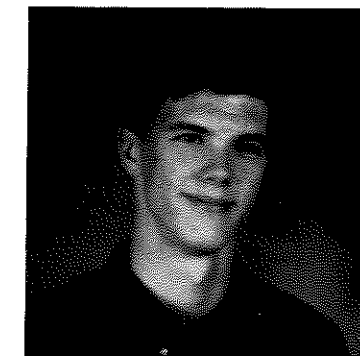

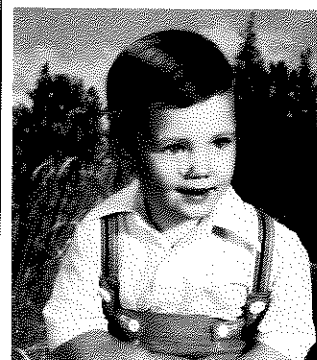

We've enjoyed watching you grow into such a special person and we are proud of what you have become. It's a pleasure to be with you and we enjoy the times we have to visit and fun together.

Our love and best wishes,

Dad & Mom

Experience small-town living near the nation's capital.

This is our campus

Located just a few miles north of Washington, D.C., there's plenty of green space in our neighborhood. CUC students enjoy dozens of monuments and more than 2,000 acres of parks and recreational areas. And after the school picnics and nature walks you can even watch a play at the Kennedy Center or visit a Smithsonian museum.

What's the advantage?

One way that CUC takes advantage of its excellent location is by providing students with real world employment opportunities at the same time they're earning their degrees. Through our Cooperative Education program, CUC students have worked at places that include:

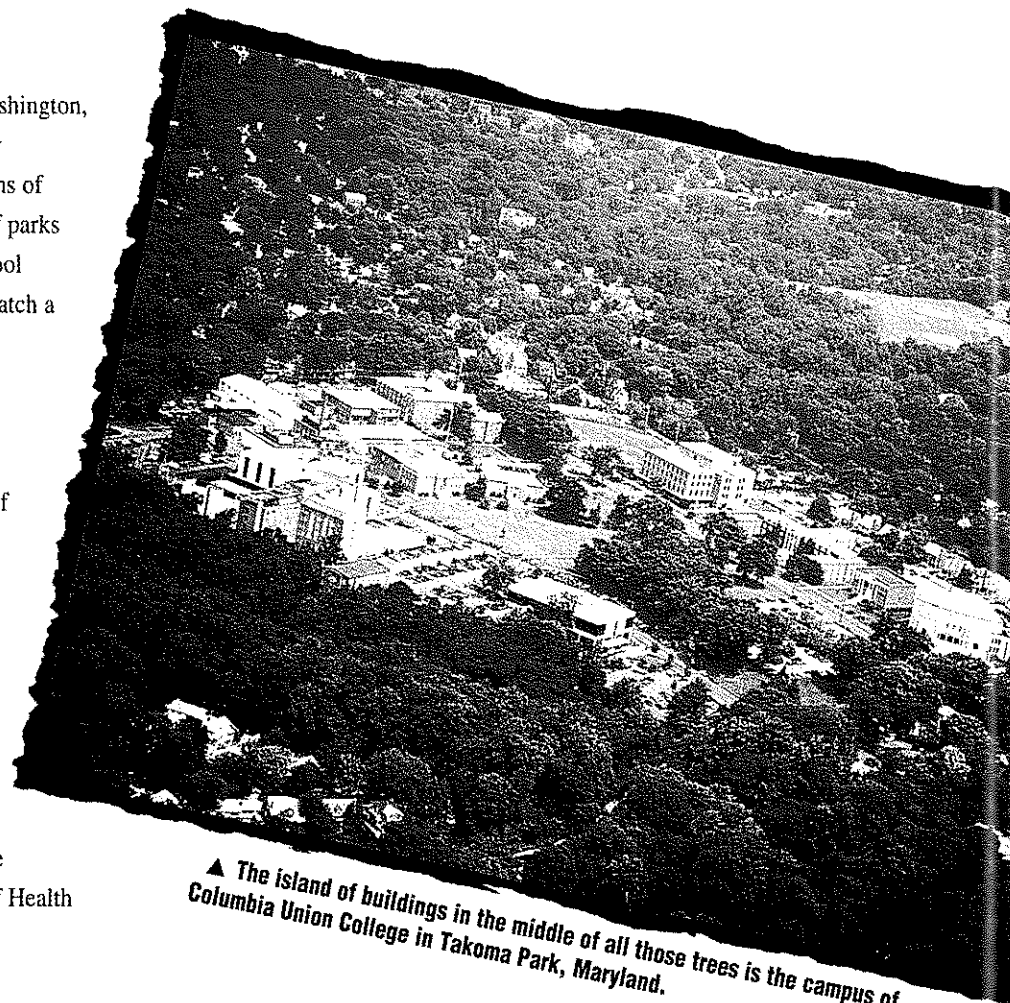

- CIA
- The White House
- FBI
- Smithsonian Institute
- NASA
- National Institutes of Health
- IBM
- IRS
- SDA World Headquarters
