Dear Darren,

We just want you to know how much we love you. As you go to college and move on to do great things, we pray that you will keep God #1 in your life. We are so proud of you son and will miss you next year. Just remember that we will always be here for you, whenever you need us.

Lots of Love,
Mom & Dad

Darren Matthew Boyd

Kian,

Congratulations on your graduation! We are very proud of you. Now as you are moving to another step in your life, remember to do your very best and use the gifts that God has given you.

Love,

Mom and Dad, Baby, Auntie Chai, Uncle Dave, Jeremy and Keri

"Trust in the Lord with all your heart and lean not on your own understanding. In all your ways, acknowledge Him and He will direct your paths." Proverbs 3:5-6

Charles Michael Abreu

To our son,

One April morning an amazing little boy joined our family. He captured our hearts with his tiny little hands and toes, eyes that twinkled, and giggles that warmed all our hearts. He was perfect in every way, a beautiful blessing given from above to complete our family of five. All the time spent watching you grow, wiping every tear and kissing all those boo boo's has been rewarded by watching you meet God. Much too soon this day has come, much too soon you have grown to be an incredible young man (forever our little man). Charles, always keep your positive outlook, keep your determination to reach your goals, keep your sense of humor, keep your confidence, keep your sensitivity, and most of all, keep God as your focus and let Him lead your every step. We will miss our daily routine with you but know that we are right by your side no matter what. We love you soooooo very much!

Daddy and Mommy aaa

Maile,

We are all so proud of you Maile. To God be the glory, for the great things HE hath done in you! We pray that you will continue to serve Him all the days of your life. Your beauty radiates both inside and out. You are sweet, kind, gentle, compassionate, funny, caring and loving! As you leave the BMA chapter of your life, we will reference your favorite PYC song... "Take your candle, GO LIGHT YOUR WORLD!" Share your love for Jesus!

Remember this quote from John Maxwell, "The two most important days in someone's life are the day that they are born and the day they discover why." Spend every day fulfilling the purpose God has for your life!

We Love You!

Mom, Dad, Maddie and the rest of your "crazy" family!

To Our Dearest Son Royce,

It feels like it was only yesterday when you, our youngest one, were born. The days, months and years went by so swiftly. We cherished every moment of your growing years. How we wish we can relive those years again. Nonetheless, you are now a young man, someone whom we can be very proud of. We thank the Almighty that we have you. You give us joy. You are calm, kind, measured and very capable in your ways. We know that there is a big tomorrow for you.

May the Lord continue to guide you into the future. We wish the very best for you.

Love,

Mom and Dad

Chris,

Being the oldest of three brothers has not been easy and yet you have paved the way for your brothers with courage, a strong spirit, and with determination. We are proud of your achievements; you have literally soared to new heights. Looking back at the years from babyhood to young adult we are proud and amazed at what an awesome young man you have become. We love the fact that you have such an adventurous spirit. Cherish those family vacations and the memories – even a national park ranger.

With much love,

Mom, Dad, Jonathan, and Benjamin

Cries and laughs with equal feeling

Courts,

We are so proud having been blessed with you as our daughter. God lent you to us and we are truly grateful and believe that He has highly favored us. We continue to trust Him for directions in guiding you in becoming the person He intended.

Courtney-Lynn, you have committed your life to the Lord Jesus Christ and He has set you apart as a peculiar young lady. You have grown physically, mentally and spiritually, however your spiritual development has been the most important to us.

"There is no limit to the usefulness of one, who putting self aside, makes room for the working of the Holy Spirit upon His/her heart and lives a life wholly consecrated to God." DA 250. GO FIND THE CURE FOR CANCER OR AIDS, YES, GO BRING A LOST WORLD TO JESUS.

We both love you tremendously and wish for you the very best that life offers in accordance with God's will, then a home with Jesus throughout eternity where education has no limit. May you choose to live for Jesus daily and make this world a better place, then finally hear "well done".

Love,

Mom and Dad

Paige,

The years have gone so fast. We have come through many exciting times, heartaches, and challenges over the years that have molded you into a beautiful person. Words cannot describe how proud we are of you and the hopes and dreams we have for your future as you begin to carve out your own path in life. Proverbs 3: 5,6 says it best "Trust in the Lord with all your heart, and lean not unto your own understanding. In all your ways acknowledge Him, and He will direct your paths." We hope you'll keep these words close to you as well as the following lyrics from a song: "Be strong in the Lord, Never give up hope, You're going to do great things, I already know, God's got His hand on you, so don't live life in fear, forgive and forget, but don't forget why you're here, take your time and pray, These are the words I would say".

We love you more than words can say and we'll miss you terribly next year. But we can hardly wait to see what God has in store for your future!

Love,

Dad, Mom and Nick

Dear Giovana

By the grace of God and your outstanding performance, you conquered one more victory. Many more will come if you continuo to follow your best friend and counselor advice: "Commit everything you do to the Lord. Trust him, and he will help you." Psalm 37:5 Filha, we love you so much. May God bless you and guide all your ways forever.

Daddy, Mommy and Lukinha.

Emily,

It's always impossible to find the words to make a true tribute that expresses how blessed we are to have you as a daughter. Your life has been an example of how powerful God's love is for us and all you can accomplish when you let him lead you. You make us proud everyday and we know the world is a better place because of the positive influence you have made and will continue to make as you leave for college. Your constant strive to make a difference will change many lives, more than you may ever know.

We love you more than words can say,

Mom and Dad

Dear Aaron

God's eyes are upon you. He gave you your name and you belong to Him. These are encouraging words for us, your parents. The last 18 years have been wonderful. We have seen you grow and develop into a handsome Christian young man.

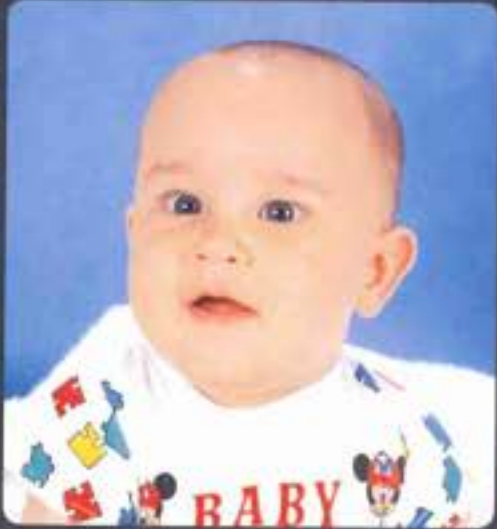

As you know, you have completed the third step, kindergarten, 8th grade, and now high school; of many steps which you will take along the beautiful journey we call life. God granted us the privilege to be with you along the way and we'll continue to pray for you as you begin a new endeavor in your life: college.

As your parents we have made sacrifices to give you a Christian education and we don't regret it for one minute, but we'd like to thank you for the sacrifices you have made as well; leaving your cozy home, home cooking, nice soft mattress, and the comfort of the family. Son, we love you. Keep up the good work and focus on what's ahead. Never give up on God. He carried you this far and will do it into eternity and beyond.

Your family loves you.

Love,

Your Parents -Gabriel and Ana

Dear Jacob and Joshua,

We are very proud of both of your accomplishments. While graduating from high school is definitely an important milestone, it is worthless without a continued relationship with Jesus. Enjoy this moment in time, but keep your heart and mind focused on the eternal celebration yet to come. We love you both very much!

Love Always,

Mom & Dad

Nick

You did it! You have graduated high school! We cannot tell you how proud of you we are. You are an amazing young man and you have accomplished what you have set out to accomplish. God has given you a gift that no one can ever take away. You are smart, committed, funny, a hard worker and a loyal friend.

You are starting a new journey. Remember to keep Christ first and the Lord will bless you more than you could ever imagine.

Our love,

Mom, Dad, Noel, Britny, Sebastian, Ariel and Isaac!

Cory,

It is hard to believe you are no longer my little boy and now a young man ready to graduate and begin a new chapter in your life. You have become a young man I am proud of.

Love,

Mom

Dear Justin,

Congratulations on reaching this very important milestone.

We are very proud of you and have always admired your determination to succeed in all you do.

God's plan for your life is more than we can ever dream or comprehend. We encourage you to hide His words in your heart and allow him to direct your path.

Embrace each moment with passion and remember we are here cheering you on.

Lots of love,

Mom, Dad, Brothers and Sister

Rico-Roy Ryan Gordon,

We wanted to keep you in our arms forever
To shield you from hurt caused by another
But we learnt to let you go
We realize you had to grow

You went from playing and having a blast
To making decisions that truly last
The Lord has certainly kept His hands on you
The headaches and accidents were very few

Now we'll watch you graduate
We couldn't wait to confirm this date
So go and fulfill your dreams
As impossible as they may seem.

By Fay Gordon

With lots of love,

Mom and Dad

Our precious Sarah Rose,

We are proud of your accomplishments these past four years. You have grown up so much since that first day of academy. It may seem like this is the end of something very special, but all that you have experienced has prepared you for the wonderful things that are to come. Always remember that we are your biggest fans and we know that you can accomplish anything you put your mind to. And remember Jeremiah 29:11 " 'For I know what I have planned for you,' says the Lord. 'I have plans to prosper you, not to harm you. I have plans to give you a future filled with hope.' "

Mark,

It seems that just yesterday you were teaching yourself to read the back of cereal boxes, and here you are graduating and starting a new chapter in your life. Our prayers and love will always be with you. Keep your eyes on Jesus and He will take you to places you never dreamed of!

Love,

Mamma, Daddy & Jonathan

Tribute to Robert R. C. Nelson

As your proud parents, we look back at a shy boy who has become an NBA "wannabe", a young man of courage and a young man full of great leadership potential. Some of these qualities are requirements for a successful future, but God is the author and finisher of everything. These requirements are incomplete without God as the center of your life. Put Him first in all you do and He will direct your path.

Love,

Mom, Dad, Brothers and Sisters

SENIOR TRIBUTE TO ALEXANDER E. ARCHER

My heart is filled with joy as I reflect on this occasion, and the impact my life with you has made. Thank God for giving me these years of being your mom. I stood by you and never gave up on you because of the True and Mighty God whom I serve. He promised me He will be with you and that He has a plan for your life. It is through perseverance in prayers that I kept molding you. It has been an honor and a privilege being part of your journey as your mother and one which has been imbued with wonderful memories.

I am proud of your achievements but am more proud of the person you have become. As you enter the next phase of life's journey hold your head high!" Head lifted, shoulders straightened as you face and tackle the inevitable changes, hold true to yourself. Remember to hold onto your value system, your work ethics and most importantly, your humanity. These are the qualities that will guide you further on your journey.

I would also like to pay tribute to the wonderful teachers, friends, and staff at the Blue Mountain Academy - who have all guided; molded and shaped you. Their roles have been hugely instrumental in molding you my son....giving you hope for the future.

Your future seems destined to be in capable hands - hands of God.

Your life is a challenging and remarkable one - I have no doubt that you will rise and excel. May you always go after your dreams - stay strong and being true.

My beloved son, I love you dearly!

Love Mommy.

Luke,

We have had such fun watching you grow. We love the way you come up with inventions to make a job easier even if the invention takes twice as long as the original task. You keep us in stitches as you relate your experiences with great enthusiasm and animation. We are very proud of the Christian leader you have become,

Love,

Mom and Dad

Chelsea,
