

This year we would like to dedicate the yearbook to Pastor Shawnessey. Pastor Shawnessey has given much of his time, energy, and love for the students. Students know that they can count on Pastor Shawnessey to drive them places, give advice, or just be a listening ear, no matter how busy he is. He is an example of selflessness for all of us. Despite his sarcasm, we still enjoy his company and leadership as a sponsor, teacher, pastor, and friend.

P-Shawn, we would like to thank you for being there through the good and the bad times at this school. May God bless you (and Honey) and allow you to continue your work!

Yearbook Staff

DEDICATION

PRINCIPAL'S LETTER

I am writing this principal's message to the "you" that you one day will be, and not the "you" you are today. Why? Well, having walked these hallways long before you, I have seen and experienced a lot of life that the "you" as a BMA student know nothing about, but the "you" that has long since left BMA behind you are beginning to understand.

I know that reading this message now (spring of 2013) is not a priority, but in the years ahead you will be rummaging through a box of stuff and you will come across this yearbook. A warm smile will cross your face as you begin to reminisce about your time as a student at Blue Mountain Academy. You will turn to this page, and it is this "you" that I am writing this message to.

Your life at BMA was full of peaks, valleys, and struggles; struggles such as relationships, self-worth, or personal beliefs. For some, struggles didn't come until after BMA; regardless, perhaps today you may find yourselves having made poor decisions that have led you to a place of remorse, shame, or regret. You may be wondering, "Is this it? Is this as good as life gets?" and if you are asking that question, I have a question for you: have you forgotten what you learned during your time at BMA? Have you forgotten the lessons of who God is and how much He cares for you? Have you forgotten the times you were told that God has a plan for you? During my journey since I left BMA as a student, I have had many struggles. But as I look back now, I realize that it was me that had stopped pursuing God's purpose in my life. Is that where you find yourself today? If it is, may I ask you to read Jeremiah 29:11-14?

Your time here at BMA was no mistake. Regardless of where you find yourself today, you are not a mistake. May you realize you are on a journey, and that God is there, waiting for you to pursue him with reckless abandon. May you discover today the plan He has for your life. It was a pleasure to serve as your principal; now welcome to the journey called life!

Dearest Abigail,

We are very proud of you and give thanks to God for what He has helped you to accomplish. You are now a high school graduate. It was a difficult journey, but you kept your head above the waters and fought with fortitude. Isaiah 40:31 says "But they that wait upon the Lord shall renew their strength, they shall mount up with wings as eagles, they shall run and not be weary, they shall walk and not faint." The Lord brought you here for a purpose, which is, to be a blessing to all people. You are already a blessing to us and we are happy God gave you to us. We are certainly sure that you have been adequately prepared to face the challenges of college life, and then, to enjoy the blessings that come with it. If God has brought you thus far, He will carry you through the years ahead. Congratulations.

With love from

Daddy, Mommy, Florence, Grandma, and Isabel

Amber,
We are so proud of you and what you've achieved. Your smile and personality are two of your best qualities. Always keep God by your side, it's worth it. Now is the time to make your decisions and I believe you will know what to do when the time comes in any situation. We can't wait to see what the next several years hold for you. Follow your passions and don't forget to call!!!

Love you, Mom and Dad
Duffy loves you too.

Crazy Nazy!!

I want to tell you so many things and reminisce about the interesting times that we've had being sisters. Most of them good! One thing that I want to tell you, and I'll do it here because I can actually get it out without crying, is that I AM SO UBER PROUD OF YOU!!

You have accomplished so many things in your 17 short years! Just think of all that lies ahead of you!! I LOVE YOU SO MUCH!!!! Never stop being your loving, kind, considerate, goofy, BEAUTIFUL-BLONDE self!!!!!! P.S. Pole!!! ;-)

Love forever and always,
Alicia Ramie.....or Marie (however you can get it out baby sister!)

Dearest Michael,

On the day that you were born I arrived home at three in the morning... didn't want to leave your side. I looked up at the starry night and said to the Lord ... "If I had to live a thousand lifetimes to come to this very day...I would do it just for him." Clichés, on parenthood are plentiful, the world is full of whimsical wisdom... "but as for me and my house we will serve the Lord." As your parents we know that before you were formed God knew you...and wishes to know you as He knew Enoch. Our constant prayer is that you serve God with all your heart...all the days of your life. Our Heavenly Father's love for you is so great that He emptied heaven for you and sent His "Only begotten." Allow the Holy Spirit to be your ever present guide... "And He will give thee the desire of thine heart." We love you very much and will be here for you...but we are limited and our Lord is limitless...therefore place all your trust in Him. We praise the Lord for your accomplishments and pray for your future blessings! Congratulations!

LOVE
Mom and Dad.

Dear Bruna,

We give thanks to God for everything that you have achieved. Our prayer is that God may use you according to His marvelous plan for your life. May God bless you. You are a wonderful daughter!

I love you so very much,

Mom

Wow! It's hard to believe that you are no longer a little boy but a young man with a whole world of opportunity ahead of him. I'm very proud of you and am excited to see what successes you achieve in the future.

Love, Dad

Dear Bro-Bro;

I love you so very much! Never fear. I will always be at your side, forever!

Love, your baby sister

Dearest Grandson,

You will always be my Love Bug! You have always brought such joy and happiness into my life. Always remember our special times together, especially at the cabin. ... I pray Christ will guide you in all you attempt.

Love, MeeMaw

Damien,

I just wanted to tell you how proud I am of you! You never gave up even when the odds were against you. I have looked at you as a son and will always stand by your side as you travel throughout this life.

With Love, Uncle Tom

Dear Amy,

I guess you didn't listen to me when I asked you not to grow up too fast, and now look what happened.

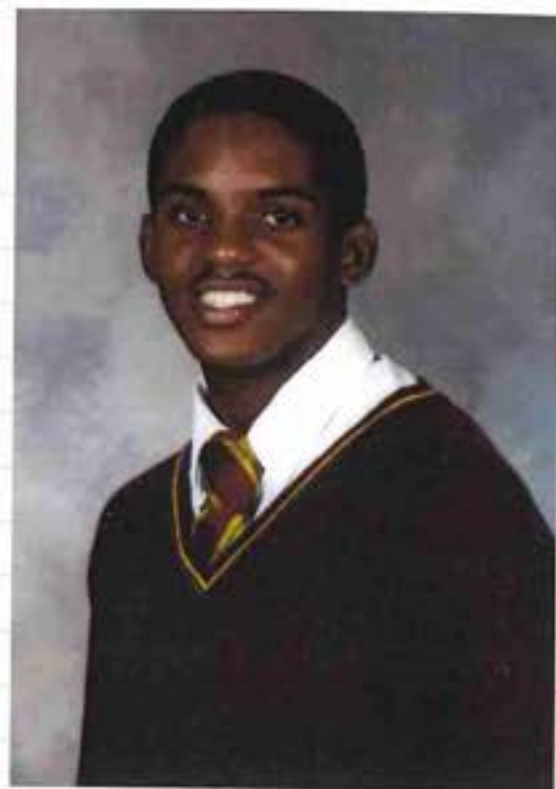

It seems like we blinked, and you went from our baby girl to your senior year.

How blessed we are because God gave you to us as our daughter. You are sweet, kind, smart, and fun.

How can we use this space to tell you how we feel about you? I am not sure we can, but we must tell you how much we love you and how very proud of you we are. God has blessed you with many talents. Congratulations on your many accomplishments. Your future is bright!

Remember, "Eye has not seen, nor ear heard, nor have entered into the heart of man, the things which God has prepared for those who Love Him." 2 Cor. 2:9. We have so much to look forward to!

To Our Son Cainan,
Well it sure looks like you are preparing for the next stage of your life- where has the time gone? Just a few years ago we were doing everything for you and now look at you growing up to be a fine young man. Of course there are still a few rough edges to be smoothed out but that's entirely up to you.

God really does have a plan for you. For years we have been pondering as to what this child might be when he grows up after all we've heard: Preacher, Pilot, Detective. Since which we have decided to leave it all in the Lord's hand. Because he is the burden bearer.

We, as your parents, are here for you. Just feel free to let us know what's on your mind. I'm sure you know by now that we love you. Not just because we have put up with you for so long but because of who you are.

Your Parents
John and Carol

Remember! It takes a Ming!

Sarah,
May God bless you in everything you achieve in life. Always reflect at the 4 years at Blue Mountain Academy and use it for success and remember to use the Bible as the foundation for everything you do and the gift and character build from Blue Mountain Academy

Amen,
Rick

We are so proud of your many accomplishments, Solomon. You have allowed God to do a good work in your life. You are a wonderful brother and son. We love you very much. Congratulations on all your achievements! You stand tall.

As you graduate, we want to dedicate your life to God again. You are his temple, created for his glory. We are praying part of King Solomon's Temple Dedication prayer as we look ahead to the life God has planned for you.

"Blessed be the LORD WHO HAS GIVEN REST TO HIS PEOPLE ISRAEL, ACCORDING TO ALL THAT HE PROMISED. NOT ONE WORD HAS FAILED OF ALL HIS GOOD PROMISE, WHICH HE SPOKE BY MOSES HIS SERVANT.

The LORD OUR GOD BE WITH US, AS HE WAS WITH OUR FATHERS. MAY HE NOT LEAVE US OR FORSAKE US, THAT HE MAY INCLINE OUR HEARTS TO HIM, TO WALK IN ALL HIS WAYS AND TO KEEP HIS COMMANDMENTS, HIS STATUTES, AND HIS RULES, WHICH HE COMMANDED OUR FATHERS.

Let these words of mine, with which I have pleaded before the LORD, BE NEAR TO THE LORD OUR GOD DAY AND NIGHT, AND MAY HE MAINTAIN THE CAUSE OF HIS SERVANT AND THE CAUSE OF HIS PEOPLE ISRAEL, AS EACH DAY REQUIRES, THAT ALL THE PEOPLES OF THE EARTH MAY KNOW THAT THE LORD IS GOD; THERE IS NO OTHER.

Let your heart therefore be wholly true to the LORD OUR GOD, WALKING IN HIS STATUTES AND KEEPING HIS COMMANDMENTS, AS AT THIS DAY."

Ivy,
I want to thank the Lord for our daughter, Ivy. Although I still cannot believe that you are graduating from high school already.

It seems like it was yesterday when you were just a freshmen at BMA. Now you have grown into a beautiful young woman with lots of goals ahead of you. In this new stage of your life, I wish you nothing but the best. May the Lord keep blessing you as He has done until now. Keep holding on to the Lord hand so you can be successful not only academically, but spiritually as well.

Daddy, mommy and Shirley are more than proud of you and your achievements. We love you so much and stay on the road to success.

Adam,

It seems like it was only 11 years ago that you started first grade! We praise God for the joy of having you in our lives. We have enjoyed every stage of your growing up and are proud of the Christian leader you have become. With the adventure of college just around the corner we are excited to see what the future holds.

Love, Mom & Dad

"Now faith is confidence in what we hope for and the assurance about what we do not see." Hebrew 11:1

To my prince Roseangel,

May the Great Lord bless you and guide you. May the Lord shine His face upon you and give you peace! "Remember you are a prince." Always think and walk like a prince. I love you and God loves you too!!

Hello, Everyone!

I hope you've all enjoyed the Yearbook. We have put lots of hard work into it, trying to capture not just the events, but everyday life. We want to show how much we've grown together throughout this year. Being the Yearbook Editor has helped me to see many different perspectives. It has definitely been crazy and stressful, but all worth it. I want this book to be a reflection of your experiences here.

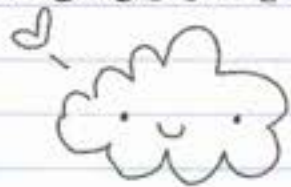

I want to thank my Yearbook staff for being willing to do whatever it takes. And also for putting up with my scatter-brained self. We have all been stressed, but it's been fun working with you.

Thank you for an awesome year, everyone.

Love,
Amy Beisiegel

-Exhales loudly- I don't know about you, but this yearbook is amazing... I feel honored to have worked on it. I had so much fun working with my very talented boss, Amy; my hilarious sponsor, Mr. Reese; and my crazy coworker, Daniela. A shout out to the "Nerd Herd" and all my BC tour buddies. Also, I would like to inform everyone that I just lost the game!
