2018

DEDICATION

This year's yearbook is dedicated to Stephen and Esther Reese. They have been a tremendous influence on Blue Mountain Academy.

Thank you Mr and Mrs. Reese for all you do for us- from the Learning Center, to the Business Office, to the Sign Shop, to Career Day, to the Health Food Store, to just always being willing to help.

We love you Mr. and Mrs. Reese and we will greatly miss you.

PRINCIPAL'S NOTE

It's FOCUS week, and I'm sitting in the sanctuary when members of AA get up to finish the evening meeting with a skit. Tears fill my eyes as I watch, because, having traveled down the path of life far ahead of each of you, I know that for some of you the sad reality is that your life will take a similar turn to that of the girl played by Nilda.

When the girl was young and innocent, she learned about the love of Jesus. It was a pure love, and it made her happy. But then she began to let bad habits into her life, and slowly, she found herself lost. That happiness was gone and she began to "fill" the void with alcohol, drugs, promiscuous relationships, but nothing, nothing seemed to help.

I watched as Jesus, played by Charlie in bad pajamas, wrestled with the demons that had stolen the young girl's happiness. As she struggled to break free, Jesus struggled to break through. Soon, sobbing, on her knees, Jesus successfully stood between her and her demons, once again filling the void that is only God shaped.

Some of you will follow that same path, you will listen to the calling of the world, you will think you are pursuing fun and freedom, but will only find yourself struggling with feelings of isolation, separation, and despair. Some of you could be heard saying, "FOCUS week again? Already? Whyyyy?" This is why, that one year from now, ten years from now, twenty years from now, when you sit mired in doubt and second guessing, and you open this yearbook, seeking some sort of reconnection, that perhaps, just perhaps, you will read this and remember, remember that night when a young girl lost her innocence, felt filled with despair, and was ultimately renewed when she simply called on Jesus.

May the future you never doubt, never question, never despair, but instead, may you always seek to fill that God shaped void with what it was intended for, a life committed to Him!

To our dear Isabelle,

You are God's gift in our life. We are very proud and happy to see that you have become a young woman that loves to work for Christ and also worries for people around you.

You grew and acquired knowledge, and today we are thankful to God for your happiness and the opportunity He gave us to participate at this special moment in your life.

We know that you made wonderful memories and we could say that until now, the Lord helped us. We are sure that you will keep your light shining and will keep conquering many victories in life, because thru God all things are possible.

Congratulations

You are very special
We love you a lot

Mom & Dad

Congratulations Josh,

It has been a great joy for us watching you grow into a fine young man. Although you have accomplished much over the years, so much more awaits you. We look forward with great anticipation to see where your path in life will lead, and we are here to support you in all that you do. May God guide you in all your future plans, hopes, and desires. We love you with an everlasting love.

God Bless, Mom and Dad

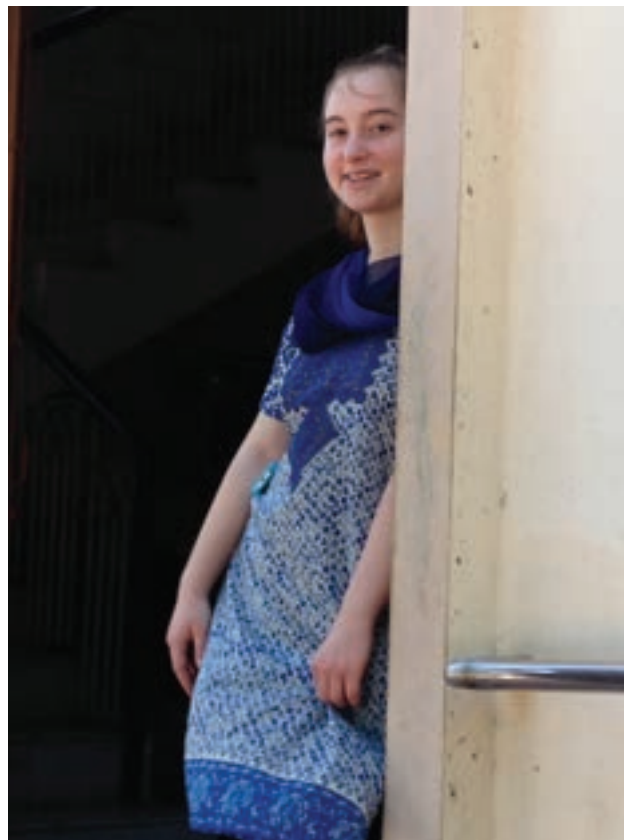

Olivia,
We are so proud of the wonderful young lady you have become. You have far exceeded our dreams that started before you were even born.

Your love for Jesus is the most important thing in your life. Let Him keep growing in you. With that as your foundation, your love for your family, friends, music, and knowledge are stronger and more beautiful.

We love you so much!

Dad & Mom

Reo,
You are truly a gift and a blessing. You are tremendously talented and gifted in so many ways. Everything you are and will become is a result of blessings from God. I pray that you will never forget who He is and what He expects of you. You're on a journey call life, with many possibilities, but only one true destination. Choose your path Wisely, and Pray daily for God's guidance. Put God FIRST in ALL you do and He will bless you beyond your imagination.

Love you beyond infinity,
❤️ *Mom*

I am so proud of you!

It is such a blessing to watch you grow into the man you are.
As you move forward into a world of many possibilities, feel
embolden to conquer your dreams.

There will be obstacles great and small along the way, know that
you have what it takes to persevere through anything. Continue
to learn from mistakes and success in life. Reflect on your ac-
tions to predict future outcomes and don't forget to be humble.

Congratulations, you made it through high school!!

I love you now and forever,

2nd Mom,
Lillie

Reo,

*We've watched you grow into
a handsome youngman.*

*You a greatly loved and our
only grandson. This is just
the beginning, life has so much
more to offer. If you put your
trust in Jesus, you can begin
to count your joys.*

*Let God's principles be your
guide as you begin life's
journey.*

Love You Dearly,

Your Grandparents,

Auntie Ruth and Grandpa James

Reo Ogieste

Miana Cherie Dialectakis

You were too anxious to meet this world and get started with life, so mom spent months on bedrest with people all around the world praying for you before we even met you face to face! You have always been full of energy and ready to conquer whatever life sets before you. Your infamous statement: "I do it!" when trying to help you at only 2or3

years of age has carried you far! We are blessed to have you in our lives and we wish you God's abundant blessings as you move into new experiences and challenges. You have excelled in your academics, and

music surrounds your life. . . We also noticed your excitement to have "wings" even before getting to heaven! We have loved doing things together as a family. . . camping, hiking, traveling the world! So we look forward to more adventures together on

this earth as well as in heaven - we will always be here for you!!

We believe God has great plans for you, He will continue to lead and guide you as you seek for Him and put your trust in Him. (Psalms 37:5)

We love you!! Dad, Mom and Nathan

Twirly -girl, Librarian, Stinky, Jo-Jo

Josie you have had many different roles with your loved ones, these are but a few of the endearing names you have carried over the years!

Now you've completed a chapter in your life and are walking a new path of; Adult, Employee, College Student, Responsible Driver. Although these new names carry a load of responsibility I know you will manage them all and treasure each role as you did when you were younger.

1 Corinthians 4:12

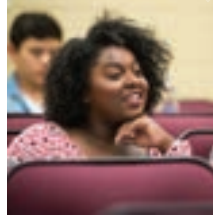

We work hard with our own hands. When we are cursed, we bless; when we are persecuted, we endure it;

Congratulations, David!
