

"The greatest need of the world is the want of men—men who will not be bought or sold, men who in their inmost souls are true and honest, men who do not fear to call sin by its right name, men whose conscience is as true to duty as the needle to the pole, men who will stand for the right though the heavens fall."

Principal's Note

Good afternoon my friends,

The sun is shining brightly on the next to last day of our mission trip in Playa Del Carmen, Mexico. The time has gone by quickly and it only mirrors the rapidity with which the school year is drawing to a close. Maybe it is the recent mission experience, but as I reflect on the school year, I think about many of our students who are seeking to be used by God. 1 Tim. 4:12 was written precisely for you. “Do not let anyone look down on you because you are young.” What a boost of encouragement from the Bible. Stand Up! Be Confident! This is the easy part of the verse, because there is more left to say “...but set an example for the believers in speech, in conduct, in love, in faith and in purity.” Wow! These are lofty standards. But as God seeks to develop an army of youth rightly trained, to be an important part of His end time plan, it is these standards that the world will notice, and many

will long to have the hope that is cherished in your hearts.

This year we have had fun times, made great friends, received a quality Adventist education, and had many awesome experiences, but it is the spiritual victories that should stand out in your minds. Dear friends, (apologies to Pastor Kim), keep a close grip on your Savior. Never forget how He has led you in the past and have the faith that He will form your future. Ps. 119:9 says, “How can a young person stay on the path of purity? By living according to your Word.” It is my prayer that each of you will stay faithful in the future and one day we will all cast our crowns at the Worthy Feet of Jesus.

Blessings in Christ,

The 2020 yearbook is dedicated to Mr. Doug Stewart

“We would like to dedicate this yearbook to Mr. Doug Stewart for his 21 years of dedication to Blue Mountain Academy and its students.

For years, his classes have been enjoyed by history loving students and scholars ready for a challenge. Always in an effort to improve his students, Mr. Stewart has made his classroom a place for them to learn how to defend what they believe and experience history through media and literature. His desire to acknowledge and encourage hard-working scholars is seen even outside of the classroom through many years of guiding students through the National Honor Society. With sincerity, we can say that Blue Mountain Academy would not be the same without his presence or his courses.

Mr. Stewart, thank you for all you do for BMA; may God bless you always!”

2020 Class Song

Together in God's Love

Verse 1

We're united here
To celebrate
The wonders, that God made clear
As a family
Still we learn to grow
Even though were young, it's our job to show

Pre-chorus

Call it a network, call it tribe, call it a team, we call it a family.
God's shown the light, and him we will follow, we are his people.

Chorus

We are a family together in God's love
We're here to demonstrate, that he loves everyone
Boys: In one voice we sing
Girls: And the steps we take
Following our King
We are a family together in God's love

Verse 2

We must plant a seed
Keep it in our hearts
We must let it grow
So let's do our part
Jesus as our guide
His love so divine
Like a tree we grow
Going in different ways

Pre-chorus

Call it a network, call it tribe, call it a team, we call it a family.
God's shown the light, and him we will follow, we are his people.

Chorus

We are a family together in God's love
We're here to demonstrate, that He loves everyone
Boys: In one voice we sing
Girls: And the steps we take
Following our King
We are a family together in God's love

Bridge

Everyone we help, WE ARE
Everywhere we go, WE ARE
Anytime we praise, WE ARE
WE ARE A FAMILY
4X

Chorus

We are a family together in God's love
We're here to demonstrate, that He loves everyone
Boys: In one voice we sing
Girls: And the steps we take
Following our King
We are a family together in God's love
Together in God's love

Freshmen

2023 President's Message

Dear Freshmen,

I know it is our first year in high school and sometimes we may feel stressed about all our work, but we can do it with God's help. This year, our theme is "Called to Minister." Even though we are the youngest students at BMA, it doesn't mean we can't minister to others. God will speak through us if we allow Him to. God wants to work with us, whether it is helping us in our school work, or helping us teach others about His Word. I believe in you freshmen class, and I know we can do great things!

2022 President's Message

Dear Sophomore Class,

2020 has arrived, and we are two years away from graduation! Two more years until one of the biggest moments of our lives! We are about to become independent. Independent to make our own decisions, and to choose whom we will follow, God or humanity. The time is coming when we will be pressured by Satan like never before. Worldly things will be pushed in our faces, and we will have to deal with it. However, will you choose to deal with it alone and rely on yourself, or will you come to God for help? Will we keep on shining our light, or will it fade away? We were each called by God even before we were born. Our independence will be a huge step in fulfilling God's desire. We are called to minister to those whose lights have faded, and to those whose were never lit. I pray that our lights may glow more brightly than ever before and that your ministry can ignite the fading light of the world into a huge light show! Have a blessed year.

2021 President's Message

I can't believe we've done it. We are finally upperclassmen! It's been a long journey, starting our freshman year, and leading to here. We may be small, but we definitely can overcome any challenge, like when we won Almost Anything Goes this year. I love how helpful and ambitious we are, trying to go to Greece for a mission trip in place of our class trip. When we were electing officers, I said that I would do my best to make these next two years the best we've had, and I think that we are doing exactly that. I hope we can take everything that we've learned here, and use it to make our lives successful. I want to thank the officers and our sponsors, Ms. Cook and Mrs. Bechtel, for helping to plan our year and working to make our dream of a mission trip come true. I also want to thank the class as a whole for working on fundraising to the best of their abilities, and for making this year so memorable. Finally, I want to thank God for our success in everything that we have done, and I pray that He will continue to bless us. Always remember to aim for the sky, with God by your side! At graduation, we may walk different ways, but we will reunite in the heavenly days, and we will be praising God and singing of our memories of these years.

2020 President's Message

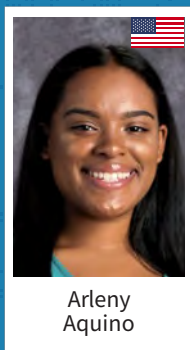

Think back where you started. Who were you? Where were you? How did you get here? It wasn't easy, or cheap. We could only trust in One Person, only in God! Some things wouldn't make sense, but we can look forward because we trust Him. Now that I think about it, I can't believe He never left our side. We really couldn't have gotten this far without Him. We came here because of Him, we're here because of Him, and we'll finish because of Him. I proudly say that we're graduating because of Him. You might have three, two, or maybe only one more year here at BMA. It's not going to be easy, because the older you get, the more responsibility you are given. But if you put your trust in Him, ALL THINGS ARE POSSIBLE. Congratulations class of 2020! Your dreams are becoming your reality and your future is now YOUR responsibility. Juniors, Sophomores, and Freshmen, don't look back and keep moving forward. THERE ISN'T ENOUGH time, so don't give up. Money is not free and you are running out of time. High school is just preparing you; college is your next step.

Gwynavere

To our fun, caring and talented Gwynavere, you have brought a lot of joy to our home. We're so proud of the woman you are today and who you will become as God continues to mold you into His likeness. "Who can find a virtuous woman? For her price is far above rubies. A woman that feareth the Lord, she shall be praised." Prov. 31:10,30.

Dear fellow students,

I hope you all enjoy this yearbook as much as I enjoyed helping to make it a reality. It was hard work but completely worth it. I want to thank

Esther, for her dedication and patience in helping us learn and grow, Hannah, for her creativity and all the designing she did; it would not have been possible without her.

Gwyn and Sam thank you for providing photos and being willing to help anytime (Hannah, Lissi, and Esther too). And last but not least, Mrs. Eyer and Mrs. Engen, for editing.

Thank you all for your tremendous help!

I pray God blesses each of us at BMA, and that we fondly look back on this school year fondly.

~Summer Dekle

Dear Readers,

Making a yearbook was such a new and great experience. I hope this yearbook captures all the memories throughout the year and gives you an opportunity to look back on them. I want to thank all the editors and photographers who helped make this happen. I am so happy to say that I am a part of such a wonderful team.

Remember to smile in Christian love, and that God loves you.

-Hannah Johnson

"This year was a crazy one for all of us, we went from dorm, to school, to online classes. This was a hard year for all, especially seniors, and the yearbook office. Hannah and Summer worked really hard to make this amazing memory book for each and every one of you, trying to get each and every one of your faces on the pages. Thank you Samuel and Gwynavere for your photographic support and willingness to help us. Esther, our boss, thank you so much for your patience and support to this team! Without these people, we couldn't have done this.

Please enjoy each page and remember the amazing school year you had here at Blue Mountain Academy 2019-2020."

With love,

- Liselotte Perez

The same vision

with a renewed image

Our image reflects our vision, which is the same as when Blue Mountain Academy was founded in 1955. By presenting a new image we are confident that God will continue to guide our present and prepare us for the future.

Because we are sure that ... "We have nothing to fear for the future, except as we shall forget the way the Lord has led us, and His teaching in our past history."
