\_\_\_\_\_

Supervisor's Name: \_\_\_\_\_

Supervisor's Number: \_\_\_\_\_

Supervisor's Signature: \_\_\_\_\_

### **Community Service Policy**

As part of BMA's graduation requirement, all students must earn 40 Community Service project points (10 points per year during school months). Students can earn the CS Pin by completing either 25+ points for each year of attendance at BMA, or 100 points by the time they graduate from BMA (excluding Bible Labs and including summer months).

There are many opportunities for students to receive these points. Several options include, but are not limited to: Blood Drive Donor or Volunteer, Babysitting, Tutoring, Neighborhood Trash Pick-up, Disaster Relief, Community Centers, Mission Trips (worth 6 points), Nursing Home Visits, Pathfinder Food Drive/Pantry, etc. Also, the following school events will be included for designated volunteers: Academy Days, Alumni Weekend, MusicFest, Pathfinder Fair, Recognition Dinner, etc.

Each service project is worth 2 points. No more than 6 points can be earned doing the same event. Most events should be approximately 2 hours in length. It is the student's responsibility to obtain and fill out this Community Service form and have it signed by the adult/faculty sponsor. The completed form must be **submitted within five days** of the event to the Registrar's Office. It will be recorded in FACTS and placed in your file.
