

Blue Mountain Academy

2024-2025 SNEC Three Way Plan Commitment

To be completed by family's church pastor or treasurer

This form is required if the family is applying for Southern New England Conference Three Way Plan

Blue Mountain Academy works to identify the specific needs of each family and assists in preparing a payment plan. The family listed on this application have expressed a financial need. BMA is willing to stretch the tuition payments up to 10 months to better accommodate the family's needs, but the school depends on the home church to assist with their financial need. In the process of preparing a payment plan we need to include the financial aid funds that the family will receive from their home church.
